The information required includes but is not limited to the reason, date and time in and out of the facility, and meals (if any) provided during the detention. A Temporary Detention Intake/Status Log Activity Continuation form (SMCSO Form 141) is available if extended entries are required.

On a monthly basis, the Patrol Division - Community Services Commander or designee shall complete a review of the custody logs to ensure accurate completion. A summary report of the review shall be submitted to the Assistant Sheriff, through the chain of command, due no later than the 10th of the following month.

Annual administrative review will be accomplished and documented in January of each year by the Patrol Division - Community Services Commander or designee. The review will:
