Accreditation Manager Pamela McKay Completes Law Enforcement Planner's Course

St. Mary's County Sheriff's Office Accreditation Manager Pamela McKay recently completed a Law Enforcement Planner's Course sponsored by the International Association of Law Enforcement Planners. The Law Enforcement Planner's course is a one week intensive workshop designed for individuals who are tasked with law enforcement research, planning and evaluation functions. Attendees are provided the most recent information and training on topics such as:

- Workload-Based Patrol Allocation and Scheduling
- Strategic Business Planning
- Applying Risk Management
- Public Surveying
- Program Evaluation and Performance Measurement
- Crime Analysis
- Crime Prevention through Environmental Design
- Policy Development
- Accreditation

"Law enforcement planners provide research information, technical assistance, and professional guidance to police executives regarding public safety best practices. "Ms. McKay's accreditation and law enforcement planning knowledge will aid the Sheriff's Office by providing recommendations on innovative and cost effective police services for future implementation." (Brian Eley, SMCSO Civilian Administrator)
