CLICK IT OR TICKET at Chick-fil-A in California, Maryland

St. Mary's County Law Enforcement Officers along with CBS Radio/WPGC 95.5, Chick-fil-A and Maryland State Highway Administration were at the Chick-fil-A in California, Maryland on May 12, 2010 to promote seatbelt and child safety seat use. St. Mary's County Sheriff's Office Deputies, Maryland State Police Troopers and WPGC staff were distributing seatbelt and safety seat information and encouraging Chick-fil-A lunchtime customers to participate in a seatbelt survey. Individuals who completed the survey were rewarded with a Chick-fil-A coupon for a free sandwich and entered a chance to win a trip for two to Miami, Florida, including airfare, hotel accommodations and \$500.00 spending cash compliments of CBS Radio/WPGC 95.5.

Officials are proud to report that in one hour one hundred eight (108) seatbelt surveys were completed. Citizens are reminded wearing a seatbelt is the single most effective crash protection available and the best defense against impaired, aggressive or distracted drivers, so buckle up America!
