Cops on Rooftops for Special Olympics

Next Saturday morning, August 20, 2011 Deputies from the St. Mary's County Sheriff's Office will be perched on top of the Dunkin' Donuts located at 22861 Three Notch Road California, Maryland 20619 to raise both funds and awareness for the Maryland Special Olympics.

Cops and donuts have a long, humorous history together, so it was only fitting the two teamed up for this light-hearted event. Cops-On-Top is an event where local law enforcement officers are perched on top of a building to raise both funds and awareness for Special Olympics Maryland. The 2011 statewide Dunkin' Donuts Cop-On-Top event is set for Saturday, August 20th into Sunday August 21st. Officers from their respective agencies will be on the rooftop of their local Dunkin' Donuts by Saturday morning and remaining until Sunday morning.

Dunkin' Donuts customers and the general public are encouraged to stop by and support the officers and Special Olympics. Along with the rooftop Deputies other volunteers will greet customers inside and outside of the store. Donation jars will be placed inside of the Dunkin' Donuts for those who wish to contribute to this worthy cause.

In 2010, the Maryland Law Enforcement Torch Run was named the top fundraising program in the world at the annual Torch Run Conference. For further information please contact Detective Corporal David Alexander or Corporal Brian Hartz at david.alexander@stmarysmd.com, brian.hartz@stmarysmd.com, 301-475-4200 ext.1954.
