Crime Prevention and Traffic Safety Operations

The St. Mary's County Sheriff's Office in a continuing effort to reduce crime, improve driver safety and awareness and address quality of life issues such as loitering, drinking in public, vagrancy and panhandling will conduct several high visibility operations in the Lexington Park area over the next few weeks. Citizens may notice an increased police presence in specific target locations throughout Lexington Park. Officers will use a variety of methods such as bicycle patrols, marked and unmarked patrol vehicles, motor vehicle tag reader and/or stationary and moving radar to address criminal and traffic violations.
