Traffic Safety Public Safety Announcement

This weekend marks the beginning of the tourist season in Solomons Island with the opening of the Tiki Bar. The Tiki Bar opening draws in hundreds of patrons from around the region to Solomons Island for a weekend of celebration.

The Sheriff's Office is asking everyone to please put safety first. We offer the following suggestions: plan ahead, allow plenty of travel time, watch for pedestrians, share the roadways with bicyclists and motorcyclists, celebrate responsibly and designate a sober driver.

The St. Mary's County Sheriff's Office will be assisting the Calvert County Sheriff's Office this weekend with increased traffic safety, saturation patrols.

Working together we will have a safe and successful spring and summer.
