Sign Up for the Wildewood Community Alert

The Wildewood Community Alert is an e-mail notification system which will allow the St. Mary's County Sheriff's Office to e-mail residents of Wildewood important information about incidents or activity occurring in or around your community. This information will help us deter and solve crime through sharing of information and resources. The information sent out from various Sheriff's Office sources will not always be media releases but could include time sensitive information in regards to crime(s) in progress or requests for information in relation to a past incident or crime.
