TO: Sheriff Steven A. Hall  
SUBJECT: 2023 Community Survey Results

The results of the 2023 Sheriff's Office Community Survey have been saved to a .pdf file and will be published on our official website. There were a total of 1,294 submissions made by members of the public and the survey was designed to allow the submissions to remain anonymous. Text that contained information potentially identifying the person who made the submission, was redacted. Also, there were two instances wherein derogatory / racist terms were used, and these were redacted as well.

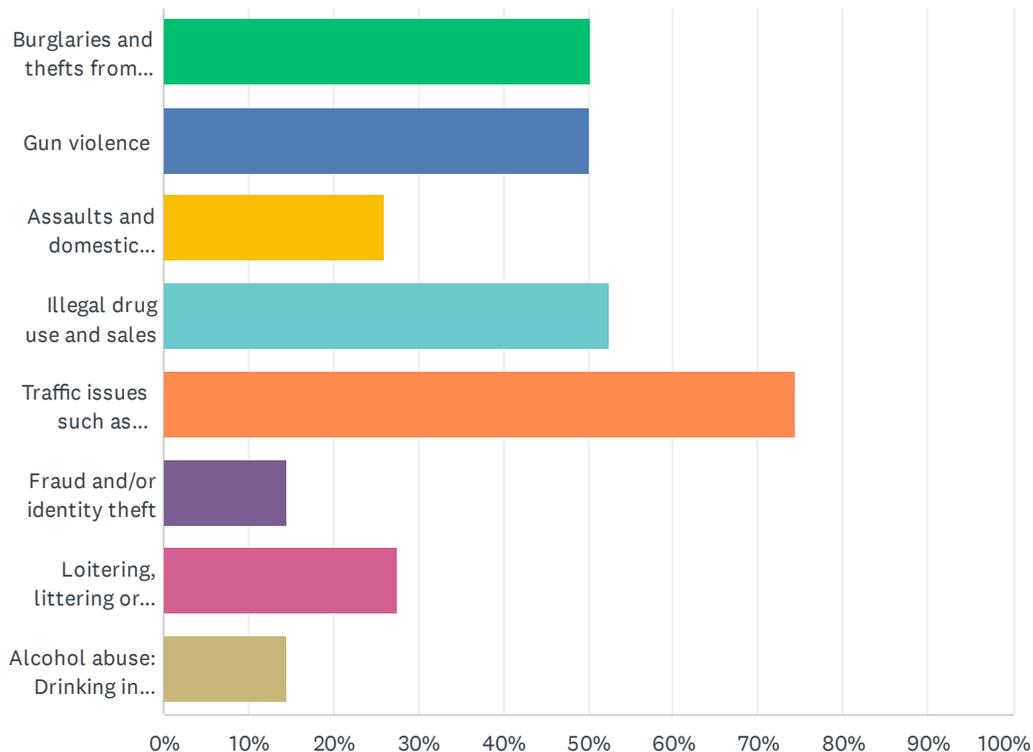

In addition to making the results of this survey available to the public; I am forwarding copies to each Division Commander to analyze and make necessary adjustments to their operations and enforcement strategies.

1	I feel as though the community would benefit from more police engagement. Assign some deputies to low income and high crime areas to actually engage the public as a partner.	9/22/2023 8:24 PM
2	Please put a stop light in Morganza where you turn right to chipticon so our kids stop getting hurt driving to school	9/22/2023 1:24 PM
3	Doing a great job in trying to reduce careless and speeding drivers.	9/21/2023 7:14 PM
4	Reckless driving on my own road, Route 4 and Route 235 have been increasingly getting worse. I would love to see red light cameras, speed cameras and/or more police presence. It scares me to even drive on the road anymore, because it has become so dangerous, due to people's behavior and driving habits. I greatly appreciate your service and the speed and dangerous driving enforcement you have recently completed.	9/21/2023 5:06 AM
5	Glad y'all have been making more passes through Leonard's Freehold. Please keep it up & Keep the trash out of of here. The kids need it to be stay decent place to live instead of the park. The lady officer used to stop and talk to is all the time. Even walk around. She called the kids out by name. Wish we had a cop like that again? Someone we saw all the time and knrw was coming so we could talk to em	9/21/2023 12:45 AM
6	I have two comments: 1. Can you please advise why items such as mugshots, crime scene photos, etc are given to local news sources such as the Baynet before trial or the full story has come out? What happened to "innocent until proven guilty"? Time and time again, stories are shared from the sheriffs office to these local news outlets, and peoples reputation are ruined before even going to trial. This also goes for incidents such as last week where the 26 year old passed away after a firework incident. There were so many heinous comments underneath that article. Can you imagine if that was one of your loved ones. The baynet and sheriffs office work hand in hand to distribute clickbait articles, ruining the reputation of many. If there is someone who was proven guilty for committing a crime, then absolutely share their information with these news outlets. However, if there is no trial, I do not understand why you are sharing peoples information before they were proven innocent or guilty. My second comment: Why are the sheriffs posted up running radar in the graveyard in Leonardtown square? Can they not park at A&M glass or the King of Tees? I find it super distasteful to see folks pulled over in the graveyard or cops trying to meet their quota— that is a place where people mourn their dead loved ones. Half of the time, folks visiting the graveyard probably can't even get in because the cop is blocking the entrance. It's very off putting.	9/20/2023 3:57 PM

8	Increase sherif presence near sports complex during practice time or class dismissal.	9/19/2023 6:57 AM
9	I believe there should be additional grants/scholarships for outstanding community members who desire to become an attribution to the law enforcement community but are low on funds to accommodate the college funding and/or time away from current obligations until hired (loss of workforce hours to attend school/childcare needs).	9/18/2023 8:56 PM
10	Speed enforcement is desperately needed on Maddox Rd/Route 238!	9/18/2023 4:26 PM
11	I'm an employee of Breton Bay Golf and CC, which has the most absurd amount of drunk drivers leaving every single day. I watch every person leave and most cannot walk to their car and struggle to leave the parking lot. The whole neighborhood and residential area around Breton Bay is at serious risk every day due to these drivers.	9/18/2023 11:10 AM
12	I think the increased patrols on speeding are a great thing. People are driving like crazy and act as though laws don't apply to them.	9/17/2023 8:38 PM
13	Law enforcement officers have the hardest job in the world. Your caring and dedication are greatly appreciated.	9/17/2023 1:39 PM

## St. Mary's County Sheriff's Office Community Survey 2023

14	Officers are doing their job getting criminals off the street but leonardtown judges are just smacking the criminals on the hand and they are repeat offenders who keep getting out on the streets doing crimes. Lexington Park has got to get cleaned up , the drugs, shootings and robbing has got to stop. Residents who have lived in this county their whole life are afraid to go shopping and don't shop or go out after dark as it's not safe.	9/17/2023 1:51 AM
15	I would like greater transparency around staffing. Recently there was a concerning post with a promotion and the officer had a visible tattoo indicating he supported a domestic terror organization. Instead of addressing the community's valid and vocal concerns the photo was deleted. This is unacceptable, first on the basis that someone who agrees with a aligns himself with that ideology was hired and is in charge of enforcing laws, but more importantly that instead of addressing it, the Sheriff's department simply ignored the people. I expect better from those trusted to protect and serve.	9/16/2023 7:29 PM
16	I live in Wicomico Shores we have a big problem with out of state partiers at the public park and pier after sunset. No police presence and don't respond when called. I never see a deputy patrol the public park in the summer when their is excessive drinking and drug use	9/16/2023 7:03 PM
17	Agree with previous comments regarding speeding. People need to be responsible for their own actions not a whole lot you can do sometimes, especially if you're not in the area. I did have an interaction with the sheriff's office 5 years ago and it was extremely positive and .appreciated	9/16/2023 6:39 PM
18	I walk to work everyday from Chingville to Callaway in the early morning hours between 4:30am and 5:20am. Ever since I started this last year, cars pass me very fast and sometimes recklessly. I see deputies pass me here and there, but still not enough to know I'm safe getting to my destination.	9/16/2023 2:27 AM
19	Why did the Sheriffs Office stop/forbid the SRO from directing traffic at schools to aid in the safe departure of school busses. If you want more info I can be reached at [REDACTED]@yahoo.com	9/14/2023 11:43 PM
20	Need to crack down on people who drive in the left lane till the last minute right before gate 2 to try and cut people off just to be in the front. Wouldn't be suprised if it's causing accidents.	9/14/2023 10:59 PM
21	I think there has been a show of force with regard to traffic enforcement. Question is how long will it last. Whats the long term plan?	9/13/2023 11:22 PM
22	Would like to have a one one discussion about his vowel to crack down on dirty police	9/13/2023 5:07 PM
23	You need to worry about your deputies. Back them up whenever possible and stop siding with criminals to appease the public. Terminating GOOD sheriffs and our law enforcement going to other counties is your problem. Do better and support your own men!	9/13/2023 8:42 AM
24	Traffic safety is a real concern as well as illegal drug trafficking which ensues gun violence. I absolutely support the Sheriff's department and would love to see more funding in order to hire more deputies. I have only had one negative experience w/a deputy and it was indirect. Upon arrival at the L-town 'Duck Festival' that Sunday morning a female officer was in charge of traffic on the main drag down the hill to the ward area. She was trying to keep ppl from walking in the road as the shuttle would come and go and I am guessing she was irritated as this was no easy task for one deputy. However, screaming at ppl does not make for a good impression. Yes - there were a LOT of ppl but it was orderly and traffic wasn't zipping up and down the road and her screaming at folks was not accomplishing the task at hand. It was simply too difficult for one deputy - she needed to accept the difficult situation and handle it as best she could in a professional manner. Screaming at the public like that doesn't leave a good impression of professionalism for the department. Work on a better way b4 the next time - a Bullhorn maybe.	9/13/2023 12:51 AM
25	I would absolutely support increased local funding to St. Mary's police department in order to put a SRO in every elementary school. As well as increased patrols and perimeter checks on all public schools. Kids safety should be the #1 priority!	9/12/2023 11:07 PM
26	Tons of respect for our local LEOs, you have a hard job and no one is ever going to be 100% happy with you. Keep making honest efforts to improve safety and security in our community!	9/12/2023 8:09 PM
27	Our deputy's are doing great, the sheriffs office needs to loosen the reigns on them and let them step up their proactive enforcement by making permanent units designed for solely proactive enforcement toward gun offenders. Route 5 in the Charlotte hall area needs more traffic enforcement. Most of all THANK YOU!!	9/12/2023 6:17 PM

29	Speed enforcement down route 235 really needs to be addressed. People are nuts. Why can't we get traffic cameras on some of those lights?	9/9/2023 8:51 PM
30	Your agency is not transparent. You encrypt all communications (only tactical channels should be encrypted). You respond to suicidal people with a military force, then wonder why they kill themselves. You fail to release information to the press in a timely manner and your officers have short tempers. If I graded the SMCSO it would be a C-	9/9/2023 9:32 AM
31	Gang violence still going on	9/8/2023 2:48 PM
32	Any interaction I have ever had with a Sheriff has been positive. I particularly like the Community Night Out. It gives us a one on one to ask questions. Very valuable. Thank you all!	9/8/2023 10:00 AM
33	There is need for more resources and help to fight the crime and issue in the county BUT the Sheriff and his team are truly doing an amazing job.	9/8/2023 7:03 AM
34	Need additional drug (rehab) programs, awareness, and support in our county.	9/7/2023 7:43 PM
35	I would like for the officers to help the community more at sporting events and to start holding people accountable for misconduct during such events. I was told that officers refuse to work youth sporting events. And from what I witnessed they would rather run people off that are being disorderly versus taking them into custody and holding them accountable. That shows the lack of support for the community and makes the organizations look bad when in all actuality the incidents that take (took) place had nothing to do with the organization or how it's being run.	9/6/2023 11:17 AM
36	Afternoon on 235 people are driving reckless and weaving in traffic. Morning commute has been better with show of officer's doing traffic stops, we need after intervention as well.	9/6/2023 8:58 AM
37	First off, thank you all for everything you do. My personal opinion is more traffic reinforcement. I know there is only a certain amount out things you can change. My concerns: 1. People in my neighborhood think the street in front of my house is a drag strip. I do not allow for my children to play out in the front yard. I am afraid someone may not be paying attention and hit them. We have St.Mary's officers living in the neighborhood. Don't understand why it can't be enforced with warnings when off duty. 2. One morning my child was getting on the bus and a car decided he didn't feel like waiting so he passed the bus with lights on. 3. NO ONE knows the proper way to pull over and get out of the way of emergency vehicles nor do they stop or they try to out run you. Sometimes they will pull over but will then tailgate the emergency vehicle. 4. People using the turn lanes as a passing zone. I'm sure the list could go on and on. Thank you again for doing what you can to help keep St. Mary's safe. 🚓🚒🚑	9/5/2023 6:29 AM
38	I would like to see something done about safety due to domestic violence. My daughter didn't get one but 2 orders put on her Ex and they were both denied judge saying he didn't see that there was a issue.. never wanted to see reports of several times the sheriff's had to come to home because of him busting doors and windows trying to get in the home to her and the children (ages 4 & 5) him texting and messaging threatening them. Who is the judge to decide when someone feels unsafe. A piece of paper in nothing I understand this but it's worth more to a mother that has to bury there daughter or grandchild do to the "I don't feel he is a harm" .. I have never been so disappointed in a system I thought was for justice.	9/4/2023 11:48 PM
39	There needs to be a video or some understanding in what to do when police car approach on double line high way. The car getting pulled over should not be in the fast lane when pulled over should go to the shoulder.	9/4/2023 9:44 PM
40	Keep up the good work. Thank you for all you do. I know you are limited. Majority of the community stands with you.	9/4/2023 9:28 PM
41	Traffic enforcement: running/turning on red lights; speeding in residential areas; too many piece of crap cars with Historic tags being used for work vehicles or daily drivers	9/3/2023 10:29 PM
42	I will say this law enforcement, has a thankless job if you could get the court system to back them up and keep the ones behind bars that belong behind bars	9/3/2023 4:21 PM
43	You guys scare me and there's still a bunch of nuts driving out and about. I mean I shouldn't be watching a truck pass a double solid yellow line in the neighborhood of wildewood when kids are getting dropped off.	9/3/2023 3:01 PM

## St. Mary's County Sheriff's Office Community Survey 2023

44	I have lost all respect for this organization after last Monday and Tuesday when two 60 yr old people were grilled for 5 hours because someone else lied. But it's been turned over to Federal investigators that will do their job. We show him our google timeline. The officers didn't ask they only yelled. Now this enlisted person will be investigated as well. She has a code of conduct that holds her accountable. If we need to take lie detector tests we will. But be assured my husband and myself do not lie or curse. Now like the Sgt said it was irrelevant you made it relevant....remember those words. Calling my husband's captain wasn't relevant but your Sgt made it relevant. The Federal investigator understands honor and respect. I've lived in this area since 1963. I no longer feel safe and I no longer believe someone who abides the law is safe from hateful officers even when no criminal act occurred or law was broke. I hope this officer gets a court martial when it's all said and done for conduct unbecoming. 2 more years and we will retire to 20 acres in NC. I pray for those 24 months I never see or speak to an officer again. EVER. As far as traffic safety? That's so funny I sold my car and refuse to drive on these roads because they are THAT dangerous. Good riddance	9/3/2023 1:34 PM
45	Traffic cameras would be incredibly useful for the county. The people who block the roads because they are trying to get on base would stop if they got ticketed enough. The speeding along all of the roads in the county make it hazardous for me to turn out of my son's school, my driveway, and just trying to get from point A to point B safely. I believe the department is understaffed for the amount of issues we have with everyone commuting in.	9/3/2023 9:23 AM
46	I'd really like to see more sheriff presence in the non-public schools. All of these families pay taxes and deserve the same care as the children in public schools.	9/3/2023 6:03 AM
47	You say you're cracking down on unsafe drivers yet I see drunk drivers all over the road daily. Huge pick up trucks flying down the road swerving through traffic riding people tails yet I have NEVER seen one pulled over. Or do we not pull over good ole boys? Mine and my daughters lives are risked EVERY single morning I drive her to daycare and not a single cop in sight. Absolutely pitiful that the sheriffs office says they are cracking down yet multiple fatal motor vehicle accidents in the area every day. And what about the violence and crime in Lexington park/ great mills? Didn't they put a sheriffs department down there? And crime got worse. Congratulations.	9/3/2023 4:30 AM
48	I appreciate our officers and what they do. In this world we live in today, it must difficult for them to get up and go protect the public. I pray every time I see or hear a siren. Stay safe out there.	9/2/2023 7:14 PM
49	Please stop arresting ANYONE for cannabis use. Treat it like tobacco. Use past cannabis enforcement money for something else. Leave cannabis users alone.	9/2/2023 6:55 PM
50	More law enforcement in the great mills lex Park area. Driving through that area especially at night scares me.	9/2/2023 6:45 PM
51	I can like most can tell you the several areas where shootings will happen next. But that doesn't make money for the program like tickets to people in rush hour does. I think cracking down on violent criminals and actually them being held not rotating door is the biggest issue for st Mary's headed forward.	9/2/2023 6:53 AM
52	I am a citizen and also an SMCPSS employee at GWCES. We would love more support for our students and to have a positive relationship with our students and the sheriffs office.	9/1/2023 5:00 AM
53	We appreciate recent efforts to enforce traffic laws but unsure if it is sustainable. Please put speed cameras in school zones. Also, increased patrols, & community building over by the LVFD, SOF market. That area is going downhill again. Cocain in and out of that brick [REDACTED], sold & snorted in the parking lot of Brudergarten. Maybe they need some lights and cameras in that side parking lot.	8/31/2023 11:02 PM
54	Thank you for our school resource officers! Please continue to keep them in our schools. It gives me and my children reassurance that they are safe while in school. The exposure also builds a bridge between law enforcement and our children.	8/31/2023 12:56 PM
55	0821	8/31/2023 7:57 AM
56	please put a traffic cam at wildewood /outback lights. people run that red light every single day . or check the light timing sequence.	8/30/2023 7:06 PM
57	I'm a long time resident and I strongly believe the police are doing the best they can. The crime is running rampant and the judges need to enforce maximum sentences or it will just	8/30/2023 6:26 PM

## St. Mary's County Sheriff's Office Community Survey 2023

continue. Also, I live in country lakes and the speeding and carelessness of drivers is unacceptable so I'd love to see more police presence for traffic.

58	Traffic on 235, Great Mills Rd and Pegg Rd between the hours of 5am and 7:00am needs to be addressed before someone is injured or killed. Intersections are being blocked, people are making illegal turns from the travel lanes, cutting off drivers in the right hand turn lane. I feel the NAS Base CO could assist by opening gate 2 at 0530 but if that isn't an option the Sherriff's dept needs to be ticketing the blatant driving offenses occurring every morning.	8/30/2023 5:23 PM
59	Keep up the good work!	8/30/2023 3:13 PM
60	Need speed cameras and not just around schools! Other places in Maryland and other states are placing speed cameras and red light cameras abundantly. We need them on 235 and 5 for starters! Would love to see more traffic circles in place of some lights to slow people down! Traffic circles in Hughesville are great examples.	8/30/2023 9:12 AM
61	Why are so many people have dead tags still? I know there was a grace period during COVID. But that has been over. So most likely these people have no insurance. That means if the hit us, we are screwed and willend of paying ourselves. Please look into this. I know there are more pressing issues but this is getting ridiculous.	8/29/2023 8:26 PM
62	I do not stop at any stores or restaurants on Great Mills Road since I am approached by someone almost every time I do. They ask for money or a ride. I have not been assaulted or mugged yet, but I think that because I avoid that area now. I would like more resources dedicated to addressing the issues in that area.	8/29/2023 11:29 AM
63	I think you all are doing the best you can. I know there are not enough of you. Be safe.	8/29/2023 10:10 AM
64	Theft and vandalism is a common thing in the Lexington park area. These kids destroy property and steal what they want from you and get away with it.	8/29/2023 5:23 AM
65	Gang activity is out of control in the park and trickling down into California/Hollywood areas. The cars being stolen in Wildewood needs to be handled. The amount of juveniles involved in violent crimes is disturbing in our county. Something needs to be seriously done about violent crimes in Lex pk/great mills. Get the guns off the streets. It used to be: don't go to the park after dark. Now. It's just don't go to the park. It's not safe. More traffic stops could help with violent offenders coming in and out of our county. Overnight enforcement would be helpful.	8/28/2023 10:24 PM
66	When contacting the sheriffs department about speeding on Mohawk Drive, we can never get them to come run radar. There are people who speed up and down our street and rode motorcycles and dirt bikes, at least three or four times a week when a citizen complains about speeding they need to come out and enforce it, they are not doing her job.	8/28/2023 4:39 PM
67	Increase manpower. Increase traffic monitoring.	8/27/2023 4:54 PM
68	Please continue traffic enforcement. My son is learning to drive and it is crazy out there. It is absolutely too dangerous to go the correct speed. People pass you going over 20 miles faster. Distracted driving is at an all time high. Aggressive driving is also at an all-time high. When you guys are out there it helps when you're not people drive crazy almost immediately.	8/27/2023 6:57 AM
69	I spent my career in public safety- you all do a tremendous job!!! Stay Safe!	8/27/2023 1:51 AM
70	I live in Mechanicsville on 235 I hear motorcycles screaming by when I am in a detached garage working on a project, they are beyond speeding and dangerous that is what concerns me, I just wait to hear sirens. You stay safe and keep doing what you are doing, I have never had an unprofessional encounter with any deputy.	8/27/2023 12:13 AM
71	I watched as trespassers walked around my guest house for 45 minutes. Had they arrived in a timely fashion they could have caught them. I was afraid and felt helplessness. I'm sure more officers would helpful.	8/26/2023 12:27 PM
72	For me the issue is still Hwy's 235 and 5 south past the college	8/26/2023 8:42 AM
73	I am unable to comprehend how 700 schedule narcotics seized from a property 1) resulted in nothing but fines 2) had all the evidence destroyed	8/26/2023 3:33 AM
74	Please bring traffic officers to 236 before/during/after Budds Creek events to monitor speed. It is so sad to watch the cars speed past our Amish neighbors at a speed that is unacceptable. 60mph +. You would help alleviate the speeding problem. Virginians in the morning weekday	8/25/2023 1:25 PM

## St. Mary's County Sheriff's Office Community Survey 2023

hours always speed through the community on their way to work at pax river. Please make 236 save again.

75	Traffic incidents in this county are ridiculous. I CONSTANTLY see people on their phone, weaving all over the road. Trucks with dark tinted FRONT WINDSHIELDS is absolutely unbelievable and unacceptable. Speeding, distraction is rampant. That needs to not be tolerated.	8/24/2023 1:07 PM
76	I am pleased with the Sheriffs office, except more needs to be done with the reckless motorcyclists, particularly on Rt 235, between the base and Hollywood. Cycles race up and down 235 like its a race track, morning, noon and night. They speed, ride on both shoulders etc.	8/24/2023 12:14 PM
77	I moved from Lexington park because of the increase in gun violence. There are too many guns and not enough intervention and command presence.	8/24/2023 6:03 AM
78	Radar is really needed in Mechanicsville, Budds Creek Road, and 235.	8/24/2023 1:48 AM
79	Gun violence in GM rd/Pegg Rd/Westbury neighborhood concerning. More police presence in GM rd area and Chancellors Run Rd. Town Creek neighborhood seeing an increase of dangerous drivers (especially around community pool & TC school). Loitering, littering increase. Jay walking on GM Rd. Police at Lexington Park Library.	8/23/2023 9:42 PM
80	Over all I think you are doing a great job	8/23/2023 7:09 AM
81	More manpower in patrol	8/22/2023 1:23 PM
82	Please have more patrols in Westbury...both sides. There is lots of crime and drugs in this neighborhood. It used to be a nice neighborhood. Streets to focus on are wilcutt, salt marsh and lookout Dr. Lots of drugs on these streets.	8/22/2023 12:11 PM
83	There is not a box for this but I am biracial white and Asian. I think that Sherriff Hall provides great leadership and walks the walk in our community. He is engaged and a caring leader. The crime and drug use in Lexington Park and speeders and dangerous drivers on three notch road need to be controlled.	8/22/2023 6:29 AM
84	I worked for the SO for three years and I understand how challenging the mission is and continues to become. I believe the SO is doing a great job and will continue to do so as their mission evolves and our community grows. My only suggestion is to continue to push for a larger slice of the budget to use for recruitment and retention of deputies.	8/22/2023 5:53 AM
85	Look I'm not from the Hawaii no India no indie Indian no New York I'm from Lancaster California and I am tired of the suspects here in the arbor Court apartment building have done so much have stole and they still sitting here and ain't got arrested yet why you guys can't get on the Lancaster sheriff department and let them know to do their job because these people need to be arrested stealing from the state and the federal and Lancaster California you can get away with it I didn't know that anybody could come out here and steal from the state in the federal and get away with it that's a damn shame how people names getting messed up because of these no life that ass people don't have no home training on drugs and don't care about nothing but dope she told me	8/21/2023 11:07 PM
86	ROAD UNDER SAFE IN ST. MARY'S TO PEOPLE NOT OBEY SPEED LIMIT AND PASS YOU AND RUN PEOPLE OFF ROADWAY PASSING AT HIGH RATE SPEED ON DOUBLE LINES AND PASSING ON RIGHT.	8/21/2023 3:11 PM
87	Not sure why you're begging for new recruits and shoving good officers out the other door!! Sounds like internal BS to me!!	8/20/2023 8:22 PM
88	I recently needed to call the sheriffs office and even though it wasn't an emergency, they responded faster than anticipated and were very helpful in dealing with my situation. I always try to thank law enforcement for their service. I for one appreciate them.	8/20/2023 7:05 PM
89	My main concern is the public park in Wicomico Shores residential neighborhood. Non-residents frequent the park, partying, buying/selling drugs, and excessively speed out of the neighborhood. My home is located near the public pier so I have witnessed this for years. Would love more frequent drive throughs by sheriffs deputies as a deterrent. This can only be accomplished with additional staffing.	8/20/2023 4:06 PM
90	I appreciate what the officers do in our county.	8/20/2023 1:48 PM

## St. Mary's County Sheriff's Office Community Survey 2023

91	You're doing a fine job; I dont run 235 much, but noticed the increased presence this past Friday. Still quite a few folks using the right hand turn lanes as passing lanes.	8/20/2023 11:04 AM
92	Red light cameras are needed at many intersections in St. Mary's, I've seen many red lights run by other motorists.	8/19/2023 4:55 PM
93	For someone my age the changes here in the county are frightening. I do not go near Lexington Park anymore. Especially by myself. I live right on 235 getting on that road is absolutely the scariest thing I have to do every time I leave my house I just wish people would abide by the law have always supported the sheriffs department and I believe that you'll do a great job with what you've been provided to do that job with?	8/19/2023 8:36 AM
94	The officers in St. Mary's County have always been kind and courteous to me. I am a member of a private club on FDR and they use our parking lot to catch up on paperwork, 100% Professional. Every fellow member of our association that I have discussed this with feels the same. Use our facilities any time you need to.	8/18/2023 7:20 PM
95	Do NOT get rid of SRO's in any school level (elem, middle, high). More monitoring needs to be done along Rt 5/235 from the county line down to Gate 3	8/18/2023 1:46 PM
96	Please don't arrest citizens for cannabis use, even School kids. Treat it like it was tobacco. Thanks!	8/18/2023 1:04 PM
97	I wish more information was put out about recent crimes in the area. This will one, raise awareness and hopefully people can put the right controls in place to prevent these crimes, and two give closure to the residents. I'm speaking in specifics about the vehicle thefts in Wildewood over the past month. Through just the Wildewood Facebook page alone there have been many reports, but zero official updates or statements from the sheriffs department.	8/18/2023 7:58 AM
98	Traffic enforcement in SMC is horrible. You seldom see anyone pulled over for violations. Any officer could make dozens of arrest a day just for speeding in school zones.	8/18/2023 6:01 AM
99	The law enforcement officers I have worked with were great. Very helpful, informative, and patient.	8/17/2023 9:39 PM
100	Thank you for all you do!	8/17/2023 7:16 PM
101	Love to all and many thanks for your support, protection and awareness of our county's needs.	8/17/2023 1:45 PM
102	What's missing... courtesy and patience. Most people on the roads are selfish, all about me, I have somewhere to be, get out of my way!!, and just plain disrespectful. If we could back to understanding a vehicle is essentially a weapon and to drive it responsibly... who am I kidding.	8/17/2023 5:31 AM
103	The traffic enforcement of our county roads is extremely poor! No one cares to do the speed limit which makes my commute very dangerous. Especially on HWY235 between Mechanicsville and NAS PAX River, and also on Point Lookout Rd. It is evident by how many people are dying or being injured on our roads nearly on a daily basis. It is sad! In addition, the speeding on our road (Morganza Turner Rd) we live on has also gotten out of hand. The straightaway and hill in front of our house is used as a drag strip by cars, trucks, and a particular crotch rocket motorcycle. We have a lot of Amish bicycle and horse/buggy traffic out here that these speeding vehicles are whizzing by. One of these days, someone is going to get killed out here. Sadly I felt safer in a combat zone in Afghanistan being shot at than I do being on the roads in St. Mary's County. Please UP your traffic enforcement in the area. If you need to, you are more than welcome to use my driveway at [REDACTED], which is perfect for catching these insane speeders on our road. Thank you for your time and reaching out to the community with this survey.	8/17/2023 12:26 AM
104	It appears that messaging from the department has drastically changed since the new Sheriff started. Not all media is being used (lower blog use). The types of releases are inconsistent across platforms. Messaging seems to be focused on drug/weapons in Lexington Park as a "look what we've done" message but it ends up looking somewhat racist. Please update Wildewood residents on the auto thefts. Please say *anything* about the chase that resulted in property damage in and around Primrose Park. Rumors are flying and you have the ability to quell them. We aren't happy that these vehicle thefts coincide with Comcast/KCI contractors in our neighborhoods and on our property with zero notice.	8/16/2023 7:09 PM
105	I've witnessed a lot of traffic violations. Passing in the turning lanes on 235 Being passed on the shoulder. Being passed on a double yellow red light violations well after my light has turned green Excessive speeding on Willows rd (double+ speed limit)	8/16/2023 10:05 AM

St. Mary's County Sheriff's Office Community Survey 2023

106	The folks do a good job	8/15/2023 5:19 PM
107	I have seen a increase in patrols on 235 in Lexington park and California. I feel the department needs more deputies to control the influx of crime from Charles, PG and DC. Driving on 235 is downright dangerous and the people drive crazy. I lived here for 15 plus years and each year it gets worse. While speed camera are not popular it would be a additional monetary incentive to hire more police.	8/15/2023 6:28 AM
108	You guys are awesome and hope we can get the traffic out there to slow down and prevent these terrible accidents that are occurring everyday. Want to see more of you guys watching the traffic and cutting down on the cell phones while driving. You're the best! Thank you for all you do for our community to keep us safe.	8/14/2023 8:14 PM
109	Aggressive driving and running red lights seem to be really increasing. I feel like the criminal activity surrounding great mills road is skyrocketing. I think your department is doing its best but you really need more manpower with the influx of d.c. criminals.	8/14/2023 7:21 PM
110	Remeber the police are not above the law, practice what you preach and learn the amendments of the Constitution.	8/14/2023 12:22 PM
111	Definitely could use your APP more effectively. Calvert uses theirs for traffic issues especially car accident affecting roadways causing delays or closures. I rarely see anything from your app	8/13/2023 11:20 PM
112	Not sure what can be done about the speeding on Three Notch between Lex Park and Ridge. Every day I drive that, there are people driving 65+. A few days ago I was passed ON THE RIGHT by a driver like I was standing still. He passed the driver in front of me on the right as well (this wad between Spring Ridge MS and Hermanville Road. Then he gets to the intersection and pulls into the gas station on Hermanville. People think they can et away with reckless driving on that stretch	8/13/2023 10:50 PM
113	Officers of st.Mary's county need to go in these neiaborhoods an talk to these kids see wat they want more if anything what can make them stop doing what they do in the streets vs lettin them kill each other . They also need check people who out of town make there way in our area make sure they're not bringing anything eligible in our area .	8/13/2023 3:48 PM
114	Specifically 2:35 South after the third base gate people drive like maniacs. I have been driving 10 miles over the speed limit and have been passed on the shoulder and on the road at the same time.	8/13/2023 10:11 AM
115	I honestly think you need to look into ways you can stop the 4 wheeler and dirt bike driving like they are crazy through neighborhoods as well as main roads. We have children that ride through our neighborhood without any protective equipment whatsoever. If they ever get hit I see a repeat of the Midway Drive incident where they pulled the elderly woman out of the car a beat her. I have grown up being involved in a local rescue squad as well as having brothers who were deputies the trend of police not being respected is so disturbing to watch. And then people go on to say they don't why the police did what they did. Hmm...here's an idea teach your children what respect is and maybe stupidity won't follow them around. Why would anyone want to be an officer when they get hung out to dry when something goes wrong? Whatever happened to innocent until proven guilty!?	8/13/2023 9:46 AM
116	Traffic infractions for me are the biggest concern. Lots of people speeding both in residential areas and the main arteries (235, 4, 5). Red lights are treated as a suggestion (typically will see between 4-6 cars run through the redlight). There has been in increase in aggressive driving, especially since more people are going back into work on a regular basis. I believe that SMCSO is doing the best they can with the current manning structure as they can not be everywhere. But more traffic enforcement will eventually lead to less accidents.	8/13/2023 9:05 AM
117	I was homeless for almost 10 years and amazingly you would have never expected someone to say what I'm about to say but I'm going to say it the law enforcement played a major role in the turnaround of my life where the offset or Hands-On and different occasions even my incarcerations were needed at the time and only a person that was sober could have made some of the decisions in my situation so me knowing how special my situation was especially my mental health I believe they treated me like a human being and the weird thing is once I got into a home and started looking at the news that wasn't what was going on in the world so I really do appreciate Southern Maryland police force they are like no other police force because when they go into the community you can tell they care	8/13/2023 3:36 AM

## St. Mary's County Sheriff's Office Community Survey 2023

118	Living near a county park/pier I am disgusted with the littering and drug and alcohol use. A resident for over 20 years I now avoid a park in my own neighborhood because I don't feel it's safe for my family.	8/12/2023 10:12 PM
119	Thank you St. Mary's PD	8/11/2023 11:47 PM
120	Need to install speed camera at every stop light in the county. Everytime I am out no matter what stop light I am at in the county someone always is running a red light and they are not just young people, both young & old, male & female. Need a camera that reads the license plate and imposes a fine of at least \$250, maybe will stop people from getting hurt/killed in all these accidents. I have sat at lights before & watched people run the red lights and seen a Deputy Sheriff in car beside me & did nothing, why aren't they pursuing these people??	8/11/2023 10:43 PM
121	I would fully support red light cameras. Maybe some of these people would stop running red lights and there would be less accidents.	8/11/2023 10:31 PM
122	7th district too many reckless drivers on Oakley Road. [REDACTED] Washington street in Leonardtown needs regular officers...so many drug deals going on in that area especially the apartment building [REDACTED]	8/11/2023 2:53 PM
123	Traffic violations, gun violence and illegal drugs are problems in the county	8/11/2023 8:35 AM
124	Seen a cop run a stop sign today. The cop that does security at adf bingo leaves his police car running for hours, must not have to pay for gas. Do police officers have to drive way over the speed limit without their emergency lights on? They should have to follow the laws also but citizens can't do anything about it when we see you do illegal acts. Your above the law and its obvious.	8/10/2023 8:17 PM
125	None	8/10/2023 6:36 PM
126	Red light cameras!!!!	8/10/2023 2:11 PM
127	Reduce speeding & red light runners.	8/9/2023 8:23 AM
128	Please get your Patrol Sergeants and Lieutenants off the desk and on the street to provide guidance and leadership to the officers they supervise.	8/9/2023 7:08 AM
129	Great job! Love seeing the deputies interacting with our children and photos on the Facebook page. As a newly retired teacher, so many of our youth needs this interaction with our students. Great work! Thank you for your service.	8/8/2023 8:43 PM
130	I live off of FDR and this use to be a nice area. Since this road opened up we are having all kinds of problems. Kids that don't even live in our area vandalizing, threatening residents, harassing people outside, screaming and scaring people, running and flipping through our garages, shitting in our garages, taking packages. Cars trying to be broke into. We pay a lot of money to live here and it's suppose to be no trespassing. HOA is not doing their part but very aware. There needs to be more patrol done on this road and off the existing neighborhoods. These out of control teenagers need to be held responsible and charged for their actions. They are one of the biggest issues in this county. They are stealing, using drugs, carrying weapons, threatening elders. They think they run things and have no respect for anyone. They are a danger to society. Stop telling them no no. And hold them accountable.	8/8/2023 11:05 AM
131	The driving in this county is absolutely abysmal, not just by the counties citizens, but by law enforcement too. Constant speeding, distracted and reckless driving.	8/8/2023 7:30 AM
132	keep up the great work!	8/8/2023 5:55 AM
133	Traffic enforcement of traffic to and from base	8/8/2023 2:06 AM
134	Thank you for you service. God Bless y'all	8/7/2023 11:13 PM
135	Keep up the good work. We feel safe in this community and really enjoy living here.	8/7/2023 7:50 PM
136	With a murder seemingly every week, life-taking motor vehicle accidents almost daily due to lack of enforcement of aggressive driving, gang violence, restaurants and convenience stores feeling the brunt of youths out of control, criminal activities in our schools, and a slate of other preventable activities, St. Mary's County is definitely moving in the wrong direction under this current administration. This starts at the top with the Sheriff with his pandering to political favors, ignoring blatant nepotism running rampant throughout his department (husbands and wives in the same span of control), and morale at historical lows. How about being transparent	8/7/2023 2:42 PM

## St. Mary's County Sheriff's Office Community Survey 2023

with the number of patrol deputies resigning with this new administration (Sheriff), how many are on some kind of restriction (e.g. suspended) duties, and how many have been terminated. In a time of great social divide and anti-police sentiment, you would think that the sheriff would try to retain as many qualified deputies as possible (not just money here) -- do you think that the Sheriff actually conducts exit interviews to see where the problems are -- I highly doubt it which just demonstrates poor leadership. Why aren't the COPS units walking the beat in Great Mills and Lexington Park? You have 125 employees yet only have at the most 12 patrol deputies at any given time trying to police 367 miles and 113,000 residents -- all the while leadership is not seen out and about but rather sitting in their cozy offices while the (typically young) deputies are in the constant line of fire with little to no support from their superiors. God forbid when a young deputy acting in self-defense doing their job and kills someone -- will this department back the deputy or will the department be quick to turn its back -- I will go with the latter.

137	Enforcement particularly needed on Willows Rd since there's several changes in speed limit near the park and church. So many incidents with aggressive driving there. Route 5 from Willows to Leonardtown is another hotbed	8/7/2023 2:07 PM
138	Sheriff office does amazing with what they have and can do. Judicial system fails this county.	8/7/2023 7:06 AM
139	Thank you for your service! Grateful for everything you do to keep our community safe. I'm worried about the slew of fatal accidents lately, particularly on Medley's Neck Road, and in general, I worry that crime is getting worse in our county.	8/7/2023 4:38 AM
140	Major concerns with the continued violence on Great Mills Rd. I feel unsafe traveling there. Traffic accidents are at an all time high. I appreciate your officers and pray for their safety.	8/6/2023 9:05 PM
141	I would really like to see the videos on burglaries and other crimes go out on social media faster, not a week or two after the fact. Not that this is always the case	8/6/2023 4:49 PM
142	Please add traffic / speed control in Wildewood! Passing cars, speed and aggressive driving is nuts!	8/6/2023 4:14 PM
143	You have a thankless job but I believe you are trying hard to make our county safe.	8/6/2023 4:03 PM
144	Actually start ticketing people down 235/4 for speeding, phone use and perhaps people will slow down and look up	8/6/2023 7:18 AM
145	Thank you for all you do!!	8/5/2023 8:48 PM
146	Keep up the good, hard work.	8/5/2023 1:57 PM
147	I am a St. Mary's County school bus driver and we need more help with drivers flying by us, cutting us off, pulling out in front of us. I understand there is only so much you can do, but anything more would be appreciated. Also at some of the schools it is very hard to get out of the bus lot and we could use help there as well. Thank you for all you do and risking your lives daily.	8/4/2023 6:48 PM
148	Speed cameras in school zones sounds great... But that's not where the horrific accidents are happening! PLEASE start enforcing the rules of the road. I see atrocious, dangerous driving every single day. I want to leave SMC because of it.	8/4/2023 5:25 PM
149	PLEASE PLEASE PLEASE install speed cameras along 235. I'm tired of having to drive Le mans every day. Commissioners need to allow cameras other than school and construction zones and i would help lobby for it. Would generate millions of \$ of revenue and maybe slow down the idiots from VA and DC.	8/3/2023 10:00 PM
150	Speed cameras are need in many areas not just school zones	8/3/2023 8:54 PM
151	The issue of reckless/agressive driving is still an issue between wildewood and san souci in California. I have noticed increased patrols but feel more needs to be done to slow down these fools. I suggest unmarked vehicles to rove the area. This is still a big issue. Thanks for listening	8/3/2023 5:59 PM
152	Speeding is a major issue especially on 235 in conjunction with folks that hang out in the left lane those problems together end badly with road rage and injury. Enforcement of the most simple principles can make our roads safer	8/3/2023 5:06 PM
153	Need to focus on traffic control, speeding, tailgating ect.	8/3/2023 12:22 PM

## St. Mary's County Sheriff's Office Community Survey 2023

154	I feel most of the areas of concern I expressed are the result of shortage in personnel and funding. I am sure they do what they can with current resources.	8/3/2023 11:05 AM
155	Honestly the wreckless driving is rampant. Traveling and passing in the turn lanes not allowing others to use it properly, weaving in and out of traffic, its terrifying to be on the road any more.	8/3/2023 10:49 AM
156	Route 235 from LOWes to Wildwood shopping area is a crazy. We need more patrol cars watching this area. Especially from 4-6 pm.	8/3/2023 7:13 AM
157	I think the sheriffs do an amazing job with limited resources and poor public support.	8/2/2023 8:38 AM
158	St Andrews Church road near the Dance school, just past the entrance to Wildewood is clearly striped for no left turns, into and out of that parking lot. Traffic heading toward Rt 5 (especially during afternoon rush hour) has a green light then the traffic stops suddenly for illegally turning cars entering or departing the dance parking lot. This has created a hazard and rear-ending accidents. Please enforce the no turn zone.	8/2/2023 5:58 AM
159	I think you do a good job. I feel safe in Leonardtown but not in LP. Too msny drugs and too many guns.	8/1/2023 10:25 PM
160	I would still like to see the department's social media site to alert the public of accidents, road closures, and other areas that are affected by activity. Calvert does an excellent job at alerting us as to affected areas such as accidents on the bridge, where thee are accidents, when a road is closed and when it is reopened. I also believe the judges need to support law enforcement a lot more. If you guys and the SAO can make the case, the judges need to start enforcing punishments. No one is afraid of that part of the judicial system because the courtroom doors are revolving. Thank you for your service. I appreciate all you and the SMCDC does.	8/1/2023 5:24 PM
161	Traffic & community violence are the biggest issues that need to be addressed immediately.	7/31/2023 10:21 PM
162	Enforce reckless driving.	7/31/2023 8:59 PM
163	As an avid, law-abiding cyclist, my biggest fear is being hit by an erratic or distracted driver.	7/31/2023 4:21 PM
164	Red light cameras would also help!	7/31/2023 3:46 PM
165	Traffic cameras should be put on roads even not in school zones. Three Notch Road has accidents on it almost every day due to speeding. I hear motorcycles flying up and down this road every day.	7/31/2023 2:58 PM
166	I live in Valley Lee despite the Great Mills zip. My quality of life is excellent and I love St. Mary's. We actually are moving to Texas (sigh, don't want to) and would MUCH rather stay in St. Mary's because of that small-town feel. There are HUGE issues with the 'stereotype' of Great Mills/Lex Park because everyone thinks if you don't live in Leonardtown you're trash. Ridiculous. If they put some TIME, EFFORT and MONEY into helping y'all more in Great Mills/LP, might be a different story. Thanks for ALL you do. We support you!	7/31/2023 9:47 AM
167	It's not "gun" violence, it's people violence. And in this area, it's from the same communities, from the same group of people and unfortunately, you cannot fix that problem. I wish you well dealing with that particular problem. Bless you all and God speed 	7/31/2023 7:40 AM
168	In addition to the speed cameras in the areas of schools, I also would support red light cameras. There seems to be a growing number of vehicles running through red lights more so now than I have ever seen before. I don't think people are too concerned with running them because there's usually nothing done.	7/31/2023 7:07 AM
169	Route 5 traffic in the Charlotte Hall area has many excessive speeders and reckless drivers. Additional enforcement targeting these abusers could be helpful.	7/31/2023 2:33 AM
170	Need more traffic services around schools ...no reason why SRO can't direct traffic for school busses to leave safely	7/30/2023 11:31 PM
171	When I have interacted with sheriff's office personnel other years they have been professional. I just don't think the opportunity arose this year. No red light cameras, no speed cameras please!	7/30/2023 10:51 PM
172	All deputies I have interacted with are professional and polite. Thank you for that	7/30/2023 8:51 PM
173	Thank you for your service to our community 	7/30/2023 7:21 PM

## St. Mary's County Sheriff's Office Community Survey 2023

174	I feel as if the County in general is pretty safe, until you cross into to 20653 zip code areas.	7/30/2023 7:18 PM
175	We need speed light cameras!! We also need the patrol staff in Charlotte Hall to stop "hiding" in the park and others places and be more visible present on the roads. I never see any patrol happening in Charlotte Hall to Hollywood.	7/30/2023 5:52 PM
176	As in all counties the roadways have become extremely dangerous. Speeding, reckless driving and disrespect for other drivers. Not sure how to handle and I know the Sheriff's Office is aware of this ongoing problem. Hoping and praying with the a new sheriff in place things will start to turn in a more positive direction for our county. Good luck Sheriff Hall and St Mary's Finest.	7/30/2023 9:26 AM
177	The panhandlers throughout the county as officers drive right by and do nothing!!!!	7/30/2023 7:35 AM
178	Thank you for your service! I believe our sheriffs need more funding and man power considering the growth in St.Mary's County. Fantastic work our sheriffs do!	7/30/2023 6:48 AM
179	I am in Charlotte Hall on Indian Creed Dr. and rarely see officers patrol here. Would love to see officers do drive through and engage with the public .... Builds relationships	7/29/2023 10:54 PM
180	Traffic enforcement has severely declined and now people go 80+ on 235. Drivers are regularly on their phones and I've been almost hit 3 times for people not staying in their lanes or pulling out in front of me, just in the last month. Red light runners are even worse! There's even a video of someone blowing through a clearly seen red light with a deputy (who's light was green at the same intersection) who didn't do anything, just continued to drive and they were in a marked cruiser!	7/29/2023 8:38 PM
181	I'm terrified to drive. The number of people tailgating, running up turn lanes to cut back in to main lanes, and crossing center lines is out of control.	7/29/2023 8:23 PM
182	Please enforce the speed limit on Three Notch Road. Vehicles travel well over 70mph. It's totally gotten out of hand.	7/29/2023 7:39 PM
183	Keep up the good work! Stay safe.	7/29/2023 7:18 PM
184	I feel the sheriff dept does a great job with what they have. I feel more people, crime, traffic and drug problems are too much for the resources that they currently have. I would like to see the funding, training and enforcement increased.	7/29/2023 7:12 PM
185	I feel sources of communication have increased, which is a good thing, however I listed " I don't know" for several questions simply because I really do not see a lot of police frequenting neighborhoods.	7/29/2023 5:43 PM
186	Please step up traffic stops on 5 & 235. Morning and Evening rush hours	7/29/2023 2:26 PM
187	Thank you for your Service and Support! God Bless All of You,	7/29/2023 8:54 AM
188	I don't see too many sheriff department vehicles on Route 235 towards the south end of the county. We had two break-ins and at least the first one after explaining what happened I got a call back if they really should drive all the way down here. I was like what the hell!? I would not have called if I didn't think it wasn't worth getting the police involved. I have worked in homeless community and with elderly. Demonizing substance abuse is bad. Someone who tries to kill themselves should be able to go to mental health court not jail. We have been fighting that battle for years and need sheriff department support with Healthy St Mary's Partnership. I literally had 3 years probation for trying to kill myself. Ridiculous...I am a trauma survivor of childhood abuse and rape and I have been sober almost 4 years now but because I got therapy not because of probation. I tried to kill myself because of domestic violence. The guy kept telling me that I was a piece of shit. Nobody deserves that.	7/28/2023 2:31 PM
189	One would hope that speed cameras across the county would slow drivers down and reduce the number of accidents. The county has grown, even in the relatively short 7 1/2 years I've lived here (was stationed here from 99-02). More manpower and visibility is needed. I'm not sure how, or even if, community policing is still a program, or if it's successful? Most of the judicial matters I see, are from the country to the north of us. Catch and release. More accountability with the judicial system is needed.	7/27/2023 6:41 PM
190	Keep up the great job	7/26/2023 11:29 PM
191	I think the Sheriffs office does a great job. Some officers could definitely be a bit kinder but everyone has off days. I do believe that there should be less focus on child support warrants	7/26/2023 10:34 PM

## St. Mary's County Sheriff's Office Community Survey 2023

and put that focus on more serious cases. Otherwise I'm pretty pleased with it all, many people believe just what they see from news outlets when in reality I feel the community especially Lexington Park has been way better. Thank you to all of you!

192	I work for smeco. Radar cameras are in charles and calvert County. We should have them. All police forces are very helpful with me on accidents with pole cutoffs.	7/26/2023 7:34 PM
193	Thanks for keeping the county safe. I don't think we need speed traps on 235 to get "speeders" during the morning/evening base commute.	7/26/2023 7:34 PM
194	Would like to see school resource officers expanded to parochial schools in St Mary's, our taxes are protecting all other children but not those and we are not using any public school funds to educate our children only seems fair as their should be a duty to protect all children and teachers in any school in the county Also I was slightly taken back when I learned that the Sherif office charged the Hollywood Fire Dept carnival for off duty officers, this is a hugh positive community event each year and the county should help support them and all they do	7/26/2023 3:09 PM
195	Keep up the good work. Time for more crime cleanup in certain communities. No one should have to deal with the trash that keeps coming down into saint marys. .	7/26/2023 2:33 PM
196	Enforce the traffic laws. Too many cell phones, no turn signals, cutting others off, not stopping at signs, signals, etc.	7/26/2023 2:24 PM
197	Point Lookout Road is a straight horror anymore! People fly up and down past our house, not watching for turning vehicles. I brace everytime I have to wait to pull into my driveway! Watching out the window for my husband to turn in from work has my anxiety at a high! You can't drive 235 without watching every mirror because people zoom in and out of traffic and thru parking lots.	7/26/2023 12:58 PM
198	Thanks for asking.	7/26/2023 12:06 PM
199	Speeding has become a major issue in the county. I don't know the answer but I think speed cameras would be of help. Cell phone use while driving is also an issue.	7/26/2023 9:41 AM
200	I know it's out of the Sheriff's hands but the County needs to build a bigger jail and mental health institutions where people are court ordered to stay for long periods of time. Otherwise the Deputies will keep dealing with the same problem over and over and it drains resources.	7/26/2023 9:11 AM
201	Treat your deputies better. They deserve to be treated better and not micromanaged. You need to worry more about what is going on, on the roads then petty little things your deputies have done in the past. Rather feel safe with more deputies on the road than them getting in trouble for minor incidents. Think about their mental health and well being more.	7/26/2023 7:14 AM
202	I don't know what I don't know, but I am informed more so than many fellow citizens, I interact with the SMCSO professionally and via community service. I'm impressed with the professionalism and dedication of the department. Leadership is the key to success, and I feel we have great leadership, and have had in the past. Thank you Sheriff Hall and all of the deputies and civilians doing work for US.	7/26/2023 6:51 AM
203	Keep up the good work ladies and gents even though the state doesn't have your backs meaning no more leobr.	7/25/2023 9:05 PM
204	If a deputy is going to enforce traffic laws then they should obey them. I see cruisers FREQUENTLY speeding, tailgating and cutting people off while switching lanes (no blinker). They should be leading by example.	7/25/2023 8:35 PM
205	Thank you for all you do.	7/25/2023 8:04 PM
206	Please address increase in reckless driving/passing on shoulders, etc. Seems to have significantly increased the past few years and I rarely see enforcement.	7/25/2023 7:32 PM
207	Thank you for all you do. In my situation when I needed assistance it was a shame the law sided with the criminal. Repeat offenders and I had no truth. The criminals are smarter and lie out word against theirs. It's causing our society to lose trust. I believe our sheriffs do as much as the law allows. A law is a law.	7/25/2023 7:15 PM
208	Only complaint is a call in middle of night to stay inside lock doors and no follow up after causing panic. Not reported on either site of suspect, whether isolated incident, false report nothing... left area wondering about safety and is person/ persons still at large. This not the norm for your department. People not too happy who live [REDACTED]. Also the	7/25/2023 9:39 AM

shooting of the 3 oaks houses was never publicly reported either. Being st marys it didn't take long to be public however every other shooting in the county has been made public. Details not needed safety concerns should have been addressed to the public in both instances. There are many times the public can assist with information ie, things they saw, know etc. Why are these two incidents such a secret.

209	I do not feel safe to visit or shop in Lexington Park at any time of day.	7/24/2023 8:18 PM
210	Thank you Sheriff Hall for all the communication that you share with all of us in Maryland! You are doing great job and I am proud of you!	7/24/2023 5:51 PM
211	I know the agency is short handed, over worked and under appreciated by many. I have never had a negative experience with the sheriffs office and have a great respect for all who serve. I will say there needs to be greater traffic enforcement on FDR Dr and off Laurel Glenn Rd. This is a bypass for the traffic circle. I know calls for service are high, but a traffic initiative here would be great.	7/24/2023 1:34 PM
212	need more speed traps less cops light watching at Pac River in mornings. Tell them open both gates at 5:30. 30 extra minutes isn't going to hurt. less accident possibilities if both gates are open at 5:30. appreciate everyone's hard work trying to keep us safe.	7/23/2023 7:44 AM
213	Lexington Park office literally has drug dealers and prostitution directly across the street and it continues to get worse who's policing Lexington Park?	7/22/2023 12:32 AM
214	Personally I would like to give you all a great big virtual hug. You all work so hard for the safety of the people. Because of you we feel safe. I appreciate everything you do for us and will forever be a strong advocate for all police officers. You are very much loved and appreciated. Continue to do what you do and THANK YOU!!!!!!	7/21/2023 3:21 PM
215	I was born and raised here. We used to be able to leave our homes and cars unlocked. Now we have to pay for security systems and have people being shot in expensive neighborhoods. Maryland needs to stop putting section 8 in single family neighborhoods ruining everything we have worked for. Police need to stop pulling people over in the middle of the road and turning lanes, it is a hazard for them, the person they pulled over, and everyone else on the road. The police also need to start pulling people over for things that cause issues. I'm tired of being pulled over for doing 5-6 over knowing I was just passed by someone doing 20 over. U-turns at lights that aren't allowed go unchecked in this county.	7/20/2023 5:14 PM
216	Need to get control of the southern end of the county	7/20/2023 2:25 PM
217	I would like to see more done about gang activity and crime in the southern part of the county. Not sure if we have the man power but from California to Great Mills and Lexington Park needs to be flooded with police. Gangs and drugs lead to high crime.	7/20/2023 9:52 AM
218	I for the most part think they are doing a good job but they need help. I would like to see more patrols through the neighborhoods late night and early morning.	7/20/2023 9:41 AM
219	I live in Pax Homes on North Essex. People congregate in the road when evening/nights are nice but are out late and off times are loud and vulgar. More patrols are needed during active times. Think any cars should glide by especially after midnight. Thanks	7/19/2023 5:31 PM
220	Wreckless driving, transient people with suitcases (prob drug or sex trafficked)c, illicit drug use and domestic violence have been too areas of concern I've identified as a county resident since 2021. Marijuana smoke - annoying for DoD personnel to stress about.	7/18/2023 12:23 PM
221	I know you guys get a bad reputation with a lot of people but I truly thank you for all of your hard work.	7/17/2023 8:41 PM
222	Additional patrol in the areas of concerns in lexington park. scared to drive through there at night	7/17/2023 8:03 PM
223	They do an amazing job with the resources they have.	7/17/2023 6:14 PM
224	More patrol in wildewood	7/17/2023 2:54 PM
225	Would like to see more presence and more community interaction. We're in wildewood. I have no idea who our police officers are. There have been increase in theft in our neighborhood and it's very concerning. Hope we can get some help and solutions soon and look forward to the new sheriff's vision	7/17/2023 2:02 PM

## St. Mary's County Sheriff's Office Community Survey 2023

226	I actually had two officers come out at my last townhouse in Hollywood, MD. I wish I knew who they were so I could treat them to dinner. They took the guy out of the car and frisked him and he never came back to smoke weed near my house again. I really really appreciated them. They will never know how much.	7/16/2023 11:58 AM
227	I have lived in Great Mills, California, and now, Lexington Park and have always felt safe here. People who speed or use the roads unsafely are a big concern, especially because our roads are not bike/pedestrian friendly, which is disappointing. Improvements like FDR Boulevard help. Also, another issue from where I stand is teen vaping. I work with teens and am dismayed by how easily they access nicotine and THC vapes. Most of the vapes they use are disposable and technically should not be available for sale. Addressing this issue would likely need to be a coordinated effort between many county departments, but I did want to raise awareness of it.	7/15/2023 10:59 PM
228	More needs to be done to control speeding.	7/15/2023 2:33 PM
229	Hopefully St. Mary's County is not being infiltrated with gangs or gang type thinking. Lot of teenage/young adult violence in the county in the last few years.	7/15/2023 12:32 PM
230	I have seen less "walk ups" to peoples vehicles by panhandlers when drivers are stuck at an intersection light, but that's LESS, not zero. Also Sheetz in California is becoming an issue with panhandlers approaching people as they are putting gas in their cars. Happened to me a couple weeks ago and my 18yr old daughter was also approached while she was getting gas IN THE AFTERNOON, not like she was out at night or anything	7/15/2023 12:32 PM
231	School resource officers in private schools would be desired.	7/15/2023 8:37 AM
232	Always been pleased with SMCSO and hoping with backing of a strong SAO, we are on the right track! Sadly, the laws still allow victims to be wrong and perps get a pass. Overcrowded jails and disproportionate arrests mean more minority criminals go free and hope they arrive for their court date. School safety is a challenge with overcrowded schools and no backbone from SMCPS and DJS to punish the youth who commit crimes on campus. Its all about data of looking good and less about safety. Additionally their parents/caregivers are usually the source of problems but it isn't a crime to be a terrible parent, so the rest of the community suffers their rotten children.	7/14/2023 3:13 PM
233	I appreciate LEO. Focus more on crime areas. Less on traffic.	7/14/2023 10:51 AM
234	I've called repeatedly about reinforcement in the South Essex neighborhood especially on Lynn Drive where there is a blind curve. We have kids that play on the road and they come flying around that curve. I can't be held responsible for my actions if a child gets hurt due to negligent driving and complete disregard of the sheriff's COPS unit to do anything to stop the excessive speeding in the neigjbo	7/14/2023 10:30 AM
235	I have the utmost respect for the police department and all of the officers. I believe that they are doing the best they can considering the financial and staffing limitations. I have lived in St Mary's County for 18 years and have seen and felt and increase in crime and loitering in the last few years. It makes me very sad and scared. I hope that the department and the community can come together to help make the county feel safe again.	7/14/2023 8:15 AM
236	Increase in vandalism and break ins in Wildewood. Blatant criminals.	7/13/2023 8:30 PM
237	With the increased crime in the Wildewood neighborhood, I am starting to feel not safe living in my home. I have not seen any officers in the neighborhood. I live towards the back of the neighborhood and concerned with the lack of officers checking the neighborhood. There have been three known cars that have been stolen and one known car that has been searched through in the middle of the night. There have been reports from neighbors that there are groups of people, kids or adults, that are seen walking the streets the neighborhood. These reports are from the online Facebook group and from people who have ring doorbell cameras. I just want to feel safe again in my own home and neighborhood.	7/13/2023 7:54 PM
238	My responses should not be interpreted as the Sheriff's office not doing a good job. ex. Community safety: Do you feel that the St. Mary's County Sheriff's Office is effectively maintaining community safety? my response is no but I don't think it is for lack of trying. I think crime has been on the rise and I think manpower, resources, the judicial system not enforcing laws and holding criminals responsible and people not respecting and supporting our law enforcement personnel are the issues. I see our law enforcement men and women out	7/13/2023 7:48 PM

## St. Mary's County Sheriff's Office Community Survey 2023

there doing their best but I don't feel they get the support from outside the agency and community that they need.

239	Put in red light and speed cameras on 235, 4 and 5. 4 and 235 is the worst with red light runners. Set up more speed traps in Wildewood.	7/13/2023 7:19 PM
240	Three vehicles were stolen in Wildewood within 3-4 days and others ransacked, but NO information has been publicized about these thefts. Speeding and reckless driving makes it unsafe to walk in Wildewood. A permanent speed trap would pay for itself daily! Red light running at Rt 235/4 is going to get people killed.	7/13/2023 7:16 PM
241	I have not had a need to be in contact with law enforcement. To me, that means you have done a wonderful job of keeping me and my neighbors safe. Thank you.	7/13/2023 7:00 PM
242	Actually enforce laws and not turn a blind eye. Don't let criminals out for early release. Do something about the growing theft in residential areas and with businesses. Be more engaging to help deter the criminals. Puah for harsher punishment for breaking laws especially for theft and drugs. Clean up our streets and STOP FOCUSING ONLY on Great Mills area because they are coming to other areas now. Also, do away with the lie detector machine for hire. They are not accurate. Instead, each contingent new hire must pass a psychological examination by a psychologist in our county or then loose their job and it be written as an addendum to the hire process. The lie detectors are awful especially for those who don't view the situations as black and white but variable shades of gray.... in other words... life is more situational not definite, but laws are laws that will not be broken.	7/13/2023 6:26 PM
243	I support the sheriff's office and I think they are very professional.	7/13/2023 5:32 PM
244	Please stop arresting citizens for cannabis use. This request includes High School students. Treat cannabis use like tobacco use.	7/13/2023 5:01 PM
245	I have noticed more reckless driving in the last year than ever before. I live in Piney Point and cars often speed and pass on double lines on Rte 249. I have seen cars ran off the road by this several times this year. I wish there was a way to catch these drivers and punish them for such recklessness.	7/12/2023 4:07 PM
246	If you did speed enforcement on 235N most mornings you could catch a lot of speeders. Also laws need to be changed, you all work hard catching criminals only to have judges go too lightly on them and put criminals back on the street. I would like to see Patrols and Sheriff represents present in communities.	7/11/2023 11:11 PM
247	The Sheriff's office is, in my opinion doing a superb job. The problem lies with the revolving doors in the courthouse. I would rather my tax dollars not be spent in Ukraine but build more prisons.	7/11/2023 4:46 PM
248	The few negative ratings I gave above are due to not enough manpower within the sheriff's office. Our deputies do the best they can and work very hard. Thanks.	7/11/2023 4:26 PM
249	Very top-heavy agency with few actual deputies on the road at any given time. Too many "leaders" sitting in the office collecting high salaries with minimal support to the actual deputies doing all the work. New Sheriff was supposed to be better, however, understand morale at the deputy level is the lowest it ever has been with extremely high turnover. No transparency with regard to personnel issues, see the same deputies attributed to call responses -- what is the other 80% of the deputies doing with my tax dollars? Overall, it seems like this is a poorly run agency.	7/10/2023 4:08 PM
250	Overall the Sheriff's office is doing a great job. My primary concern is the perceived increase in gang activity and violence in the county over the past couple years. Followed by drug abuse.	7/10/2023 9:07 AM
251	Thank you for your service to the community!	7/9/2023 6:47 PM
252	I feel the judicial system prevents our Sheriff's office from making an impact in the community. I feel we need more jails and criminals to receive harsher sentences that they must pay due. Their amenities should be less too. Actually teach them lessons and not want to be there again. If we aren't enforcing change, your Sheriffs are a waste. It should not be this way.	7/9/2023 4:51 PM
253	I think that so many who drive here do not follow the basic rules of the road (not using directional signals, ignoring yellow traffic lights, ignoring speed limits...) and are in too big a hurry.	7/9/2023 12:36 PM

## St. Mary's County Sheriff's Office Community Survey 2023

254	Implement focused professional development on constitutional policing. Ensure Officers are making decisions based on the law and not what an attorney may or may not go along with (leave the arguments for the courtroom, and leave politics to the politicians). Please stop making the Officers wear wool slacks out on the street. The Officer's uniform needs to be highly functional and comfortable, and plenty of companies make high quality uniform equipment matching that description and still looks professional. Stay safe!!	7/8/2023 11:50 PM
255	Overall a very good job!!!	7/8/2023 2:23 PM
256	The violence in Lexington Park, the shootings, and the young "thugs" with guns is out of control in this County! It's sad when you can go to a carnival or spring fest and feel safe. Stop the "hug a thug" community policing and start cracking down. They're not scared of law enforcement; they run the town and are turning it into the Wild Wild West. Sheriff Hall talks a good game, but can he actually make a change.	7/8/2023 9:44 AM
257	Need to focus more on the trash in Lexington park area. And get rid of the fake beggars around the California area. Us law abiding citizens are getting terrible reputation with all the scum left to roam free in the park doing what they do if you catch my drift....	7/7/2023 11:08 PM
258	Vapes and vape dealing is out of control in the schools and is a pre gang behavior. It should be dealt with harshly as the kids selling them are on a bad track. They should be charged. They are literal drug dealers in the schools and the schools and police act like it's kids being kids. How many would be future drug dealers can be removed by having stricter enforcement now, plus the benefit of knowing where they live who they are around etc.	7/7/2023 8:25 PM
259	Thank you for your service! This survey is a great idea and shows you welcome feedback.	7/7/2023 2:29 PM
260	Get rid of the beards	7/7/2023 12:49 PM
261	Thank you for putting up with a lot of nonsense from some of our citizens. You deserve much bigger paychecks.	7/6/2023 9:46 PM
262	I know you can only do but so much, but I wish more could be done for speeding and reckless driving. The roads are so crazy and sometimes scary here.	7/6/2023 5:13 PM
263	Students in the middle and high schools have become increasingly violent and need to be held accountable. The Sheriff's Office needs to be supported by our judicial system. Our county roads have become increasingly dangerous with reckless drivers.	7/6/2023 4:40 PM
264	I want to start by saying I am proud of our Sheriff's Department and feel that they do a great job overall. Additionally, I feel VERY strongly about two issues addressed above. With regards to gun violence, it angers me that our Sheriff's Dept and courts do not pursue ACCESS to guns as an issue - both in terms of security of local gun stores (which have been allowed to continue functioning after repeated, PREVENTABLE robberies) and requirements to keep guns locked in homes. As an example, I am extremely disappointed that the parents of the boy who shot the girl at GMHS were not charged with enabling him (allowing him access to the guns in their home). There will always be criminals (who will rob gun stores and homes), and there will always be mentally disturbed individuals (who will use guns they find at home); and that's why we need to arrest and prosecute citizens who don't follow the laws already in place to restrict access. Secondly, it's obvious that our community turns a blind eye to the egregious traffic violations on 235 during base ingress and egress (probably so that the contractors and businesses aren't upset by tickets or traffic slow-downs?); but it's ridiculous - and extremely dangerous - to consistently allow speeds 20-25mph over the speed limit, and folks running stale red lights. It feels like a free-for-all on 235 in the afternoons! I'd say that someone's going to get killed, but we already know that's happened. That HAS to stop, and that is purely the responsibility of the Sheriff's Dept. And one other quick - but very important - point. I REALLY want to see better training and coordination around police response to mental health issues. It still breaks my heart that the young veteran with PTSD (who, yes, was armed and threatening) was shot dead. It didn't need to escalate to that point - we can do better.	7/6/2023 12:03 PM
265	The Sheriffs Department needs more funding in order to increase its presence in the county. There should be higher pay as an incentive to hire and maintain the police force. I fully support what you are doing our communities need more of you	7/6/2023 7:46 AM
266	Why doesn't this county have a noise ordinance??!!!! I have to share a driveway with my neighbors and they have absolutely zero respect/consideration for everyone else in the neighborhood ( 1 mile down from the [REDACTED] ). They even planted a 4x4 in the driveway with nails sticking out. My brother, who lives on the driveway as	7/5/2023 1:16 PM

well, called your office and the only thing you did was tell them to pull the nail out. That's it!!!! I live 1/10 of a mile behind them on the driveway and I will get 70-80 decibels at my front door when they play their music. You tell me, how is this acceptable??!!!! There will come a day where I am afraid I will be the one who gets arrested after they have finally pushed my last button because there is nothing on the books about noise in residential areas that is enforceable in this county. Makes no sense.

267	Narcotics division needs additional manpower and better equipment for controlling and addressing drug activity, particularly in small residential areas. Drug sales, drug use and strangers trespassing on personal property is a SIGNIFICANT safety concern. We have been dealing with it for almost 2 years now and it needs to stop.	7/5/2023 7:38 AM
268	Hard to take the SMCSO seriously for breaking the same laws they are supposed to enforce. Especially when you enforce other unconstitutional laws by politicians who will turn their back on you in a heartbeat.	7/4/2023 8:50 PM
269	Officers need to start following traffic laws as well as enforcing them. It's hard to enforce a law that you break yourself daily in the public.	7/4/2023 11:09 AM
270	Thank you for all your hard work in protection of our safety.	7/3/2023 3:34 PM
271	I believe Sheriff Hall and his Deputies are doing the best they can..I would like to see Rehabilitation Center DROPPED from Detention Center..Because I don't believe this is being done and it gives False Hope to the Citizens.. Hopefully the Gangs will go back north and leave our County and Citizens alone..	7/3/2023 9:30 AM
272	I still cannot get NIXLE to work and you don't use your APP like Calvert county does	7/3/2023 9:30 AM
273	I am fearful about the ready availability of guns and the increasing "hair-trigger" reactions people have--while armed--to even the slightest of conflicts.	7/3/2023 9:19 AM
274	I think our police officers are doing a fine job. Maybe they could step up their presence in California where people are shopping to help deter thefts. And definitely they need to work on wiping out crime in the Lex Park/Great Mills area. Thank you to St. Mary's Co police!	7/3/2023 6:26 AM
275	I pray we get more police hired. We need our law enforcement. More police on 235 rt 5 certain intersections. To many speeding cutting people off. It's bad. St. Andrews church rd that's just to name a few.	7/2/2023 7:09 PM
276	I feel that our sheriff's department is doing a great job	7/2/2023 2:13 PM
277	I appreciate you all so much! Thank you for years of professional knowledge and countless hours of overtime and community service. I know that well-trained and courteous help is just a phone call away.	7/2/2023 1:49 PM
278	The Sheriff's Office is doing a great job. If the St. Attorney's Office wouldn't give criminals a slap on the hand we could lessen the amount of repeat offenders.	7/2/2023 8:20 AM
279	Concerned that Lexington Park is no longer safe for anyone. I stay away as much as possible. The sheriff should tell citizens to get concealed weapon permits and tell the criminal element that citizens now protect themselves, like they do in Florida. Why should we be sitting ducks.	7/1/2023 10:38 PM
280	I would appreciate a speed camera at the light on Route 5 and the Hollywood Leonardtown Road. The monies go toward St. Mary's Sheriff's Office (salaries, paid fire/EMS etc). I am very serious about this.	7/1/2023 9:34 PM
281	I never see traffic enforcement where I live. People pass on the right side of the road, speed, go over the yellow line, excessively noisy exhausts, teenagers are always on their phone. Maybe speed cameras would be a solution. They would also make revenue.	7/1/2023 6:13 PM
282	Please stop arresting people for cannabis use, now that recreational cannabis is legal. Especially don't arrest High School students or other young people for cannabis. It should be treated like tobacco use.... My best to Sheriff Steve Hall...	7/1/2023 5:55 PM

see me - Dr. [REDACTED]. Regarding resources, need more mental health training and response services, like a social worker to response to domestic and mental health 911 calls.

286	Would like to see law enforcement presence come to Wicomico shores picnic/pier area. Speeding is an issue on Aviation Yacht Club Rd and Army Navy Drive, all the way to the boat ramp.	7/1/2023 6:58 AM
287	St. Mary's county sheriff's office is absolutely the best I've ever seen! I grew up in Prince George's county and Charles county. We moved here to get away from the rising crime rate and it was the best decision ever. I know our children are safer here! I love seeing the amazing officers at the schools during sporting events. The student athletes, coaches, administrators and fans know they're safe! Thank you so much! We appreciate everything you do!	6/30/2023 9:12 PM
288	I think Sheriff Hall is doing an outstanding job. It is greatly appreciated that he gives the county fillips and what is going on! Exceptional!	6/30/2023 7:13 PM
289	Would love to see police doing drive bus at local shopping centers, libraries, and parks especially during Summer time	6/30/2023 6:12 PM
290	The Sheriff and his Deputies are doing a fantastic job. I hope the county fully supports them so they can continue their excellent work.	6/30/2023 3:08 AM
291	On item 18, thanks for letting us know that these sources exist to provide the community with information from the Sheriff's Office.	6/29/2023 8:57 PM

293	Driving in the right hand turn lane as if it were another lane of traffic needs to be controlled.	6/21/2023 9:39 PM
294	I support activating speed cameras on major arteries in St. Mary's County, especially on 235 and Route 5.	6/20/2023 2:50 PM
295	You're doing an excellent job with the limited staffing resources and financial constraints/inflation affecting everyone. Your deputies are responsible, professional and courteous and I appreciate all you do. Thank you for being the selfless and courageous individuals you are and I pray for your safety every day.	6/20/2023 8:46 AM
296	The Sheriffs officers routinely sit in our neighborhood but never give any tickets. Speeding in Golden Beach, tailgating and passing on double solid lines has increased in the past 3 years. You can send emails to them to please come and give tickets and nothing happens. Breaking the law has increased ridiculously over the past 3 years. They sit on one corner of a street and WAZE tells everyone where they are and they should move to a new corner but they don't. It's STILL the same old GOOD OLD BOYS system it has always been. It would be nice to drive somewhere without having someone up my ass, pass me on a double solid line or get out of their car and try to vandalize your vehicle because you don't want them up your butt. How about enforcing traffic laws???? Golden Beach subdivision has seen a HUGE increase in idiot drivers and kids on golf carts. Please DO SOMETHING about it!	6/19/2023 1:25 PM
297	It would be nice if the deputies could periodically walk (on foot) around the townships of Lexington Park and Leonardtown and talk to its citizens. A physical presence is very important and effective!	6/17/2023 8:30 AM
298	My only traffic issue is lack of traffic lights in some places that could use one	6/15/2023 7:20 AM
299	I feel the Sheriff's do the best they can. We need more officers, it should help with traffic enforcement issues. Its not possible to be in the right place all the time, but with more patrol officers concentrated in problem areas it could lessen speeding, distracted or aggressive driving. Drugs and alcohol are a terrible problem for us all, we must keep trying. Thanks for your interest.	6/14/2023 12:38 AM
300	The Deputies of St. Mary's County Sheriff's Office work very hard but it's impossible to be everywhere at the same time. They have a large area to cover and some parts are busier than others. I would like to see more officers and a more interactive 911 call board.	6/13/2023 4:55 PM
301	I feel very safe.	6/13/2023 3:58 PM
302	Need better, more innovative, highway enforcement. Cameras, extra unmanned cars, Great Mills, 3-Notch, 235 & 5 have too many accidents and people drive far too fast on our roads	6/13/2023 10:57 AM

303	I feel Animal Control needs help!! I feel like that is where St.Mary's is lacking. We need to be a voice for these poor neglected animals. Not enough punishment.	6/12/2023 8:42 PM
304	Outstanding professional Law Enforcement Organization!	6/12/2023 9:14 AM
305	In the past 5 years I have been involved with 3 (and witnessed 1 additional) head on driving incidence on Route 5 and Route 235. I have been EXTREMELY lucky to avoid a head on collision by being aware each time time. 3 out of the 4 incidents happened at 6 or 7 o'clock in the evening when a car was trying to pass another car! The othe incident occurred in Charlotted Hall and the driver aporeeed to turn the wrong way out of the gas station and begin to drive at 11:00 o'clock pm. It's just a matter of time...for me or my family!! When school events let out or the LMS lets out or starts in the morning, for instance...traffic direction would be a show of community support, nothing necessary. Just an opportunity. Thank you!	6/12/2023 7:45 AM
306	I think the general public/ officer interactions would benefit from more de-escalation training for the officers. Some seem very skilled and can really help the situation. Others have seemed more confrontational up front.	6/11/2023 9:39 PM
307	I appreciate all that the St. Mary's County Sheriff's Office does for our community:)	6/11/2023 7:38 PM

310	Just don't become like Calvert where only speed traps seem to matter	6/10/2023 8:02 AM
311	The sheriff's office is doing an excellent job while being understaffed, and underpaid(compared to neighboring counties). I would like to see daily traffic enforcement along rt.5 in Leonardtown where posted speed is 40mph. People continue to speed and aggressively drive through there.	6/9/2023 12:17 PM
312	I've driven all over the US and while the people in southern MD are nice, driving on the main roads it's like driving in nascar packs. I stopped at a red light and the guy behind me went around me and went thru it	6/9/2023 12:10 PM
313	Thank you	6/9/2023 11:46 AM
314	Concerned about the homeless individuals that have recently appeared asking for money at route 4/235 intersection, near Harris Teeter/Wawa. Are there resources that can be given to these individuals to avoid this from happening? Makes our county look bad	6/9/2023 9:37 AM
315	Police are not trained properly and make up laws to fit their agenda. Never ever are the police looking out for our interests. Police immunity needs to be taken away.	6/9/2023 8:33 AM
316	I do not know enough about the SRO program to have an opinion about it and would like to learn more about it from the SMCPs system.	6/9/2023 5:11 AM
317	I think the school resource officers are so important to our schools for safety.	6/8/2023 8:36 PM
318	Would love to see a police officer at every school armed and ready. We never know what will happen and it's best to be ready.	6/8/2023 6:15 PM
319	You did not ask any questions about mental health related issues. If you gonna ask about DARE and not MH issues then I suspect your resources may be misdirected wrt to alcohol and drug addiction issues. I cannot really say since I don't have real insight to your addiction and MH programs and if you work closely with the local health community for intervention programs.	6/7/2023 10:18 PM
320	Raise the salary do officers do not leave	6/7/2023 9:56 PM
321	I recommend more speed cameras for ticketing on the public roadways to enforce the limits set forth. Many people (including law enforcement) drive at 10+ mph over the posted limit. This has become an accepted norm and is leading to road rage against those that actually try to follow the laws and regulations. Speed cameras would also reduce the potential danger posed to law enforcement officials when attempting to pull over those in violation.	6/7/2023 8:59 PM
322	I based my review on making multiple calls about speeding issues in our neighborhood. I have never been able to speak with anyone, and have never had a call back in response to my voicemails	6/7/2023 8:19 PM
323	The Sheriff office is critically understaffed and totally underpaid to handled the increase of criminal violence, racing on our highways, school shootings, gang activities and organized	6/7/2023 7:51 PM

324	I grew up here and can't believe how violence and crime has changed our county.	6/7/2023 7:47 PM
325	Sheriff's office needs adequate funding to be able to effectively do it's job in this county including the hiring of more officers and equipment in order to efficiently do their job of protecting this county.	6/7/2023 7:42 PM
326	I am not in favor of speed cameras if they are managed by a profitable organization. Loitering and vandalism are not issues. Littering is a real problem in st mary's county.	6/7/2023 7:40 PM
327	I believe that the SMCSO is a great agency and serves our county well. I feel we just need more officers, funding and community involvement.	6/7/2023 6:20 PM
328	I have been here since 1997 and it has gotten scary here, and I'm originally from New York. My suggestions regarding pulling citizens over for non major issues, that you don't give them tickets because they couldn't find their registration card right away... yet present it when your officer comes back to vehicle. Not cool that they can say i should have presented it when he asked... he knew i couldn't find it in my glove box, but then did. Also... you can look it up anyway to see the driver has one. The officers I have encountered could have been a little nicer and not so stiff. I'm always pleasant.	6/1/2023 4:50 PM

330	I WILL FIGHT AGAINST THE EXTRA TAX OF SPEED CAMERAS IN THIS COUNTY ESPECIALLY WITH A SHERIFF WHO SAID THEY WOULDN'T USE THEM. BASED ON THIS SUREVEY IM STARTING TO CONTACT FRIENDS FAMILY AND WILL BE REACHING OUT TO ALL I VOTED FOR. HOW ABOUT YOU JUST DO YOUR JOBS AND PULL PEOPLE OVER AND STOP MAKING EXCUSES LIKE THAT "GHOST CAR" WITH YOUR ONE TRAFFIC COP.	5/31/2023 8:44 AM
331	Have had limited interactions with department but all have been very professional and positive. Only complaint is traffic/speeding. Would like speed cameras thruought neighborhoods with ticketing availability. They are used in other counties. Technology can help Community a lot. I live in wildewood and speeding/reckless driving is beyond harmful and dangerous. That you officers for all you do, it is appreciated	5/28/2023 8:57 AM
332	Please consider.Removing Rehabilitation Center from you jail title...There is No Rehabilitation ever Noted . St Mary's County Sheriffs Office is the Very Official Title ..saying Rehabilitation gives false sense of putting criminals on the right track...	5/27/2023 7:31 AM
333	I think that the police department in a whole is doing the best that they can with the violence in St. Mary's County. However, I do think they need to slow down and not drive erractly when responding! I've seen them use lights and sirens to get throws light and talking on cell phone wilholr driving, maybe I'm wrong but I thought cops communicated through their radios. I think that we the tax payers shouldn't be paying for GAS in the police vehicles to carrying their family around and do personal errands. Stop wasting taxpayers money and use your own vehicles and pay for your own gas. I've heard the reasoning is to respond to emergency if needed, don't think that's happening. How can they respond when they have their kids in the vehicle. Yes a waste of taxpayers dollars.	5/26/2023 3:55 PM
334	Thank you for providing the oppportunity to share our point of view and concerns. Back the blue.	5/25/2023 10:56 PM
335	I live and have owned a house on Flower Dr in Lexington Park. Drug deals and drug usage is seen daily right out in the open. I cannot let [REDACTED] play in my yard when they come to visit. Where are the police???? I have asked officers why they don't patrol that area, the response I have gotten more than once is "we don't want to go there"!	5/25/2023 11:47 AM
336	I'm not sure what is needed as far as resources go. I wanted to note that none of the things that I said negatively impacted my quality of life were addressed though, and I feel like too much attention is being given to traffic when there are any other issues that need higher attention; not only in this survey, but by the sheriff department in general. I do greatly support the SROs. Having students in public schools, and working in an elementary school, I feel safer with an officer there.	5/24/2023 7:26 AM
337	I think the SMC Sheriff's office is doing the best they can with what they have. I understand that with the limited resources they have, they can't be everywhere all the time. I do have concern over the abundance of folks driving while smoking marijuana. I drive around the county every day for work and/or my kids' baseball activities, and at what seems like every	5/24/2023 7:24 AM

other stop light there's someone driving a car and smoking a joint. Driving while smoking marijuana should be treated just like driving under the influence of alcohol. It is a mind-altering impairment that is making our roads less safe. That's not to even mention the epidemic of distracted driving. Everyone is on their cellphone while driving anymore. A lot of the time they combine distracted driving with impaired driving. These roads are not safe for my family.

338	GMHS needs a traffic officer to man the light at GM Rd during the morning and especially the afternoon active bus arrival/departure times. The mix of student pedestrians, car traffic coming thru the light from across the street (medical building & neighborhood) and buses turning right at the light is VERY dangerous. There have been MANY close calls where vehicular collisions were just barely avoided and student pedestrians very nearly were run over. PLEASE assign an officer to personally direct traffic there at these times OR change the stop light programming so that traffic only comes from one direction at a time while GM Rd has a red light.	5/23/2023 7:29 PM
339	They ride in neighborhood at suburban estates and other places Walmart etc people are smoking weed everywhere they just drive by. People screaming in the parking lot cops are just sitting there	5/22/2023 2:54 PM
340	I don't think race and gender should of been on the survey. But overall happy with the way the sheriff office has been working.	5/22/2023 7:21 AM
341	Drivers have become increasingly aggressive and it seems accidents are on the rise as a result. The judicial system lacks effective penalties for drug dealers which makes the Officer's job so much harder. Education for our young people is crucial in my opinion. I strongly support DARE and other such programs. My Grandson will attend DARE camp this summer. Thank you St. Mary's Co. Sheriffs officers!!! You recently responded to a welfare check for my family member and she was taken for the help she needed. The officer was kind and compassionate and our family is so appreciative. Keep up the good work!	5/21/2023 9:54 PM
342	great people!!!	5/20/2023 3:53 PM
343	Drugs are being sold in the cul-de-sac Brigantine court in Heards Estate, I told officers who were here for another reason, not much was done, I did see one cop car sit on street one day for a little while but that was it. They use to walk drugs up the street to cars. Now they do it buy phone, someone would park near the beginning of the street get a phone call and they go to the cul-de-sac, pick up and leave. Mostly a night about 12am up to 4 am I hear them or see a car parked. Less traffic than it used to be but still going on. Some time on weekends they do it in day light.	5/20/2023 1:13 PM
344	We need a little more gun control so our youth can stop killing each other with guns that they shouldn't have and control the youth access to guns when they are under age.	5/20/2023 12:51 PM
345	SRO should aide in the busses exiting schools for the safety of students. The practice was being done then abruptly stopped. Especially schools on major roads like Margaret Brent	5/20/2023 10:41 AM
346	I believe the St. Mary's County Sherriff's Department does a great job. Cannot appreciate them enough for putting their lives on the line on a daily basis. They have to deal with such disrespect from people on drugs and who abuse alcohol. Proud of their professionalism and their want and desire to serve and help the community.	5/19/2023 12:48 AM
347	I grew up in a multigenerational police and fire fighter family. It was very different there than here. I felt safe growing up and confident in the police department to be there and help me. Sadly, I do not feel that way here. When I have contacted the Sheriff's Department in the past, for both emergency and non-emergency situations, I felt as though I was being a bother and that the officers that responded were doing their best to hurry up and go. I came to the station with my daughter and asked to speak with the duty officer regarding a domestic issue. That individual would not talk with us. Instead they called an officer out in the field to come to the station to talk with us. We waited for over an hour to talk with an officer. It turned out, the officer we talked with, was not the officer who was called, but an officer returning to to the station. The response time is also very long regardless of the situation. I do not understand why it can take up to 40-60 minutes for an officer to respond. I know individuals that called multiple times for help and had to wait while a domestic situation continued to spiral into increasingly dangerous levels before a deputy arrived. I wholeheartedly support first responders and strongly believe that they need more community support, larger budgets, and continuous training opportunities. I do not believe that the country and the commissioners provide enough support for the departments. I think that is a large part of the problem. I want to	5/18/2023 9:04 PM

believe in this Sheriff's Department like I did with the one back home, but right now I just cannot.

348	Crime statistics need to be posted, especially violent crimes.	5/18/2023 7:57 PM
349	Sheriffs are under staffed, overworked, under paid, and overwhelmed. Personal encounters have been great but our crime rate is increased. We need more police funding. We need more support for our county sheriff's office. And it needs to be recognized the crime rate and traffic accidents are only increasing more and more every day. I back the blue and our State and Government should as well.	5/18/2023 7:10 PM
350	I see the deputies in our area quite a lot. I am thankful. The omesI have seen have been very nice.	5/18/2023 5:47 PM
351	It's dangerous for pan handlers to ask for money in the median between lanes of traffic.	5/18/2023 3:55 PM
352	I personally appreciate each and every deputy. Thanks you for putting your lives in danger every day to keep us safer.	5/18/2023 12:44 PM
353	There should be equitable attention and resources to support all parts of the county. No one section of the county is completely bad or completely good, the whole county could use additional law enforcement support and interaction.	5/18/2023 10:55 AM
354	I live on Pegg Road. And too many times cars have passed by our apartments like the road is a racetrack. It needs to stop.	5/18/2023 10:31 AM

357	repeat offenders should be executed the third time arrested. I don't want to pay for the bastard's room and board in the county or state prison. illegal drug peddlers should be forced to swallow and inject all the drugs caught on their possession, so that they overdose and die instead of wasting my taxpayers money sitting in a detention center.	5/18/2023 4:10 AM
358	How can I get information about Neighborhood Watch Programs?	5/17/2023 10:58 PM
359	The sheriff's office has made progress toward reducing bias in policing and being fair and equitable--while progress can still be made, the leadership at the sheriff's office should be proud that they were early to recognize racial bias in policing as an issue and work to overcome it.	5/17/2023 8:04 PM

361	NA	5/17/2023 2:19 PM
362	Cops shouldn't be so undercover that you cannot find them. Police officers should be easy to identify in case of an emergency. I understand undercover police work for certain aspects of the job, but keeping people from speeding is a waste of resources when you can have a greater presence in high crime and violence areas such as Great Mills Rd. Who cares if someone drives a little fast? People are being murdered in their homes because of lack of security in residential areas. Places are being broken into right next to the Sherrif's Department on Great Mills Rd. Great Mills, Lexington Park, Callaway, and even some parts of Leonardtown are not safe at all to be alone, be out late at night, or just sitting at a red light. It's not quite as bad, but it's starting to feel like Baltimore down here. Obviously, nothing is 100% preventable, but things can be changed and moved around to where police officers can be used more effectively and can be safer when dealing with high crime neighborhoods and roads. I just want to see something change, man. I'm so tired of hearing of a shooting or overdose and thinking, "Oh, it's just another Tuesday." While also sitting there driving and worried about cops in an impossible to identify vehicle wanting to pull me over. The motives of not just St. Mary's, but all police departments are starting to only care about making money from traffic tickets instead of preventing crimes and helping people. I'm not saying that I hate cops and defund the police because that's super ignorant, but I want to see this county become safer and I want to see real change happen.	5/17/2023 12:08 PM
363	I believe the Sheriff's department is doing excellent job over all. More funding would help but more community involvement would make there job more effective!	5/17/2023 11:03 AM

367	There seems to be a rise in aggressive driving, tailgating and passing on the shoulder. Very bad on Piney Point Rd.	5/16/2023 3:02 PM
368	I have regular interaction with officers and am always impressed by their professionalism and willingness to help however possible. The officers are patient, articulate, and knowledgeable about community resources that can support people in crisis. I do wish the roads were safer especially in school zones and neighborhoods. Getting out of the BBES parking lot onto Rt. 5 every morning and afternoon is very dangerous because people do not slow down. Thank you for all you do!	5/15/2023 9:02 PM
369	The speeding on Route 235 is getting worse and worse. Cars come out of nowhere and speed past at extreme speeds. It is very scary!!	5/13/2023 9:43 AM
370	Thank you. Keep up the good work.	5/13/2023 12:08 AM
371	The Sheriff and it's Command Staff lack the ability to adjust and lay forth an effective strategy to combat crime. The new Sheriff is nothing more than Tim Cameron 2.0, all talk with very little action. Young adults should not be dying in the streets in St. Mary's County. It is obvious the Sheriff's Office has lost control of St. Mary's County.	5/12/2023 7:35 PM
372	More Traffic Enforcement Please. There is no traffic enforcement on the backroads (New Market Turner, Loveville, Mechanicsville, Golden Beach, etc...) You can set your clock where/when MSP sits on 235 and 5 and rarely see the Sheriffs office making traffic stops. They do, just doesn't seem like it's often enough to deter drivers. I'm all for LEO, Good Luck and Stay Safe.	5/12/2023 6:23 PM
373		5/12/2023 7:49 AM
374	I would ask that your deputies follow the same driving laws that we citizens have to follow IE: Drive the speed limit when not responding for a call to service, Use your turn signals, NO rolling or California stops at red lights or stop signs. I've seen SMC Deputies do all of these infractions in a marked vehicle. I am a supporter of LEOs, but it is frustrating to see Deputies doing things that would earn me a ticket...	5/11/2023 5:20 PM
375	Thank You For Your Service! <span style="background-color: black; color: black;">████████████████████</span>	5/11/2023 2:50 PM
376	Something has to improve on aggressive driving and using roads as race tracks. Thank you	5/11/2023 1:14 PM
377	I would like to see the office on Great Mills Road manned. I have tried twice to get help and no one was there. Someone answers from the intercom from Leonardtown. I waited twice over 30 minutes and left. Also, please start ticketing folks for dead tags. Too many with expired stickers. I find many driving every day everywhere.	5/10/2023 3:11 PM
378	Your deputies are dressed like soldiers. You will never have the communities trust with deputies dressed like a military occupying force. When officers were dressed in a traditional uniform, they were able to perform their duties very well. What. How has law enforcement efficiency improved by the use of military uniforms? It hasn't, it has simply eroded public trust.	5/9/2023 3:53 PM
379	I feel with the limited resources the office has they do the best possible job. However with increase of crime especially violent crime the number of officers should increase. Commssioners need to listen and fund! This is not about politics its about your constituents lives.comissioners of St. MARYS	5/9/2023 7:40 AM
380	Traffic cameras are needed. Make them portable and move them to where the accidents happen. Camera's are just another tool for law enforcement to protect the law-abiding citizens.	5/9/2023 3:58 AM
381	The county needs to raise the pay for St Mary's deputies. In the north end of the county where I live, it's really nice. But I work in Waldorf and I hate what it's become. California is turning into that. Lexington Park is that. Pay more, get more deputies on the street and get the criminals off the streets.	5/5/2023 1:32 PM
382	From personal experience I notice to many deputies doing radar on the side of the road but in	5/4/2023 2:35 PM

all the wrong places. I have people exceeding 90 mph going by my office everyday. On the weekends I have people drag racing near my residence. I have called about it but no patrols are done and no one ever comes. By the time they do, they are gone. I just witnessed racing on RT. 235 yesterday right in front of me at a light with my children in the car. Stop sitting at the Toyota dealership and move further south. Also, the gun violence needs to be addressed in this area immediately!

383	to much car racing on 3 notch road	5/3/2023 8:09 PM
384	PLEASE clean up Great Mills Road! I am afraid to go to Lexington Park even in daylight. There are so many good people and good businesses there. I know several homeowners that live there and can't afford to move but live in fear.	5/3/2023 7:26 PM
385	Police officers throughout the USA should uphold the constitution they swore on to a duty	5/2/2023 3:22 PM
386	red light cameras! Too many people running red lights	5/2/2023 8:23 AM
387	Thanks for all you do! Stay safe!!	5/2/2023 8:01 AM
388	You need more funds, training, staff	5/1/2023 6:51 PM
389	I would appreciate knowing how to subscribe to some of the social media listed in question 18.	4/29/2023 9:52 AM
390	More needs to be done to stop reckless driving and unsafe vehicles that are modified to be extremely loud, roll coal, and other modifications that make it unsafe for pedestrians/cyclists.	4/28/2023 11:00 AM
391	Thank you all for your service!!	4/27/2023 2:49 PM
392	I would like to see the app used a lot more especially for accidents that may affect traffic like Calvert does. Calvert always alerts when there have been accidents. It allows for travel safer in those areas so you can avoid or use caution or just know what's going on.	4/27/2023 8:05 AM
393	In all honesty, I believe St. Mary's county has some of the most respectful and professional Officers in Southern Maryland. The department has come a very long way as far as how it treats the community equitably. I definitely appreciate that as a African American man. The department definitely needs more funding and the support of the community. The community has to become more inclusive with our Officers and not alienate them. Although I've never been a fan of the Police, I'm learning to appreciate the pretty decent Cops we have here in St. Mary's County. Thank you for your hard work.	4/26/2023 9:49 AM
394	Gun violence has increased so much with no information on if the person(s) have been caught. Murders unsolved. But it doesn't help when the criminals are released hours after they are caught or are placed on home monitors after committing violent crimes. It is beyond frustrating and scary. Overall I feel the Sheriff's office is doing a great job but I imagine your deputies are on burn out with increase crime and low staffing. The county needs to support y'all better. God bless you all for all that you do	4/26/2023 7:11 AM
395	Please have more officers out in the streets The road rage is rapidly increasing. I have gotten screamed , cussed out, and people have driven on my tail and I was not holding up traffic.	4/25/2023 7:39 PM
396	Thank you St. Mary's County Sheriff's for your service to our community and keeping me safe every day. I for one truly appreciate your dedication!	4/25/2023 1:13 AM
397	SMCPD do better with traffic	4/24/2023 10:32 PM
398	The county really needs to look into getting red light cameras. The aggressive driving is getting out of hand.	4/24/2023 9:01 PM
399	Would like to see more patrol/drive through sod the smaller neighborhoods just for a presence. I am in the Mount Wolf / Indian Creek area and only see officers drive through maybe....maybe once a week.	4/23/2023 7:33 AM
400	Sheriff is doing a fine job	4/22/2023 3:41 PM
401	The Commissioners need to fund the organization at a higher rate so you can have the sworn and support staff necessary to meet the needs of community.	4/22/2023 12:09 AM
402	It is a shame that the patrol officers work hard putting their life on the line daily and I see the junk they drive while leadership drives current year vehicles while they sit in their offices all day. It would be nice to see leadership on the road more than a couple times a year. Also, why	4/21/2023 8:37 PM

do the patrol officers lock people up only to see the perpetrators walk out a short time later on personal recognizance - again, shameful.

403	Stop sitting in your cars and do some enforcement!	4/21/2023 7:21 PM
404	Although I personally have never had a bad interaction with a police officer - my children have... I think if officers were seen in and around public places or if the sheriff's office did events within the community to become the "familiar" face to some of the upcoming teens - then maybe those teens would have a better respect for them. It's not really the sheriffs fault that kids grow up into awful adults that have no respect... its the parents who raised them wrong.	4/21/2023 6:07 PM
405	Thanks for all you do!	4/21/2023 5:24 PM
406	I feel the sheriff's need more support in the California- Lexington Park area. Perhaps federal or military back up.	4/21/2023 10:55 AM
407	Cameras to read license plates so can dispatch strategically. Until the judicial system supports law enforcement it is a boat with a huge hole. Judges and lawyers just catch and release with a slap on the hand.	4/21/2023 7:31 AM
408	I fully support the men and women of the Sheriff's office and appreciate their service. I wish there were more deputies to patrol and enforce speed/reckless driving on Mervell Dean Road. I live very close to [REDACTED] and see cars and trucks all day acting as if this road is a race track. I would happily volunteer to have traffic cameras on my property to attempt to stop the total disregard I've seen of speed limits, even school buses stopped to pick up/drop off students, and people driving on the shoulder of the road.	4/21/2023 7:17 AM
409	You all do a great job. I say prayers for your safety. God bless.	4/21/2023 5:20 AM
410	Thank you for your service to our community.	4/21/2023 5:06 AM
411	Y'all need to learn how to use your blinkers in your police cars	4/20/2023 9:38 PM
412	We are in need of traffic cameras on school buses!!!	4/20/2023 8:11 PM
413	Having SROs in all schools in Lexington Park will help with community relations among the African American community. Perhaps offer a DARE program specifically for the Lexington Park, Elementary and Middle Schools. The more positive interactions between LEO and these children, the better relations for these children who often taught distrust by their guardians. Bravo. Keep up the great work!	4/20/2023 6:46 PM
414	Need more radar on Three Notch Rd!	4/20/2023 4:46 PM
415	There needs to be more proactive traffic enforcement at the main entry points of the county (Charlotte Hall and Mechanicsville). The traffic stop would provide a legal nexus and opportunity for interdiction efforts and stop drugs/guns as they enter the county. This sends a message that it won't be tolerated here.	4/20/2023 4:04 PM
416	I think that the police seem to overall do an efficient job according to what information is released to the public. I think that we probably need more police in certain areas of the county where crime seems to have significantly increased, but the judicial system is what seems to really be failing to protect us. I do support our law enforcement and appreciate the hard work they do.	4/20/2023 4:01 PM
417	I am very proud to say I live in St. Mary's and am extremely satisfied with our level of service from the Sheriff's Office.	4/20/2023 3:01 PM
418	The interactions I've had the unfortunate event of having with police have complete been inappropriate unprofessional and down right violations. The problem is y'all don't care	4/20/2023 2:10 PM
419	We need to take back control of lexington park. People like aye yung city make you look incompetent unfortunately. Better training, and more aligned focus. The issue is drugs and gang related activity in that area which spills into the non related areas. More focus on that versus stopping the working man doing 5-10 mph over the speed limit going to WORK. I see multiple deputies together between 4 and 5am as I travel southbound on 235 heading to work when maybe a stronger police presence around the st marys square, norris road, etc areas would slow down the activity. Be the peoples Sheriff and the community will back you. Thank you.	4/20/2023 1:44 PM

## St. Mary's County Sheriff's Office Community Survey 2023

420	Sheriff's Office Deputies uniforms have been dirty/faded, wrinkled and grooming standards are poor. Officers should be clean shaven or properly groomed for their shifts. Hair cuts and styles should be with in a professional standard. First impression is everything when making contact with citizens and majority of the officers who wear beards look sloppy.	4/20/2023 1:34 PM
421	Speeding and reckless driving are a big problem. Even cops engage in it. It encourages others to behave badly as they know there are no repercussions.	4/20/2023 12:55 PM
422	I love our Sheriffs department professionalism. We need more Officers as the County continues to grow.	4/20/2023 12:42 PM
423	Issues need to be addressed with the court system and the lack of punishment for criminals.	4/20/2023 12:38 PM
424	Thank you for all u do.	4/20/2023 12:37 PM
425	Officers especially the rookies and officers who haven't been a cop that long and even veteran cops need to be educated about the constitution don't try to turn the first amendment freedom of press/ free speech into a crime learn what interfering and hindering is cause they not smnewsnet or baynet refer to case law Houston V Hill don't engage a constitutionalist then claim interfering respect the 4th amendment by not asking for someone's ID when they are not required To especially a passenger. Just to get intel unless suspected of committing a crime When an officer has knocked on someone's door and got no response after a few minutes should take a hint and leave not annoyingly keep knocking respect people's rights don't give unlawful directives and orders sitting in a parking lot or shopping center wasting taxpayers dollars and resources is not being community proactive when's there plenty of unsolved crimes taking a break to write a report or do paperwork shouldn't take an hour long like sitting in a parking lot doing nothing don't tamper with body camera footage unless it's someone private information being redacted don't show bias to local media press but try to minimize independent journalists rights be transparent and again uphold the constitution y'all took an oath to protect our rights not violate our rights various big YouTube channels across country have exposed the lack of knowledge st Mary's deputies and state police have about the constitution and our rights they swore to protect I stand with aye yung city	4/20/2023 11:54 AM
426	Something NEEDS to be done about the drugs and violence in this county.	4/20/2023 11:31 AM
427	There seems to be traffic monitoring on major roads like rt 5 but on the back roads very little and I feel at risk trying to drive on the road where I live	4/20/2023 11:31 AM
428	I'm a manager in a grocery store at [REDACTED] and we see constant thefts from the group across the street that get meds there. They constantly steal in our store at around 7am. I'd like to see police patrol around our store so they'd stop.	4/20/2023 11:03 AM
429	I would like to hear more about data on SROs in schools, both positive and negative.	4/20/2023 11:01 AM
430	I feel the driving here throughout SMC is becoming more dangerous. Road rage, passing on the shoulder of the road, speeding in general, tail gating. Maybe you all should consider going back to old fashioned police enforcement. If you start cracking down on these drivers, the word will spread and there just may be less issues on the roads.	4/20/2023 10:54 AM
431	Traffic camera's can be effective force multiplier. Move them where you have accidents related to excessive speed and intersection accidents.	4/20/2023 10:44 AM
432	I see an increase in radar throughout the county, fantastic!!	4/20/2023 10:41 AM
433	I believe the sheriff's office is doing the best that they can under the circumstances. However, St Mary's is no longer the safe rural community that it once was. The drugs, thefts, and violent crimes are growing all over the United States.	4/20/2023 10:37 AM
434	I think the Sheriff's office does a superb job with the fiscal restraints it faces, not to mention the 'catch and release' revolving door. The deputies go in harms way to make arrests and the criminals are back on the street before the paperwork is complete. I salute each and every LEO!	4/20/2023 10:20 AM
435	Outstanding Dept and personnel. Truly enjoy living in St. Mary's County.	4/20/2023 10:09 AM
436	I have really liked what Sheriff Hall is doing by getting out in the community. I believe in SRO's in all schools. Should not wait until after a shooting. No doubt fudning would be found after a shooting occurs. The speeing and agressive driving needs to be addressed on 235 between Wildewood and San Souci. More officers would be patrolling this area. Drivers are already	4/20/2023 10:06 AM

distracted by their phones. Add aggressive/ excessive driving and this causes accidents. I actually call this stretch of 235 Budds Creek South. Thank you.

437	RE: Question 3 - I answered as applicable to MY living situation. I realize that the other factors mentioned ARE an issue in the county and need to be addressed. I also realize that the Sheriff's office and deputies are doing all they can to provide the best service possible to the community. Don't let the detractors and naysayers get to you. It's a rough, stressful, oftentimes thankless job and you all are doing great. Keep up the good work.	4/20/2023 9:58 AM
438	I am proud to be a part of the community and am proud of my own deputy protecting the county. I think you guys are doing a great job, but definitely need more manpower!	4/20/2023 9:57 AM
439	Speeding in Country lakes has got out of control. Need more stop signs at intersections or speed (HUMPS) people running stop signs are a very dangerous problem here !!	4/20/2023 9:57 AM
440	Keep up the good work and never stop striving to be better.	4/20/2023 9:56 AM
441	My brother was a MSP Trooper assigned to Leonardtown once he graduated the academy. Lexington Park is NOT safe, nor is "most" of Maryland these days which is why I have a CCW	4/20/2023 9:54 AM
442	I wish the Sheriff Department had more community events where kids can interact with the deputies in a positive way and learn that deputies are there to keep them safe.	4/20/2023 9:50 AM
